

Measures

13th May 2020

National
Numeracy
Day

Activity 1

Choose 5 of your favourite toys.

Put them in order from shortest to tallest.

Are any taller than the length of your hand?

Now put them in order from lightest to heaviest.

Are they in the same order?

Which are in a different place?

Activity 2

Find 5 things in the food cupboard.

Estimate which will be the lightest and heaviest.

Feel them in your hands
- were you right?

What is the lightest piece
of food you can find?
