

Sid and Shanarri Information Session

Shazzam Shazzoo can Sid and SHANARRI help you.....

Elaine would like to invite you along to view the new and exciting initiative introduced by North Lanarkshire Council to promote children, parents and practitioners awareness of your child's individual wellbeing needs.

Over the coming months your child will have opportunities to bring home Sid and SHANARRI story packs. These packs will contain a book/books highlighting important areas of wellbeing that you may have experienced while looking after your family. Sid and SHANARRI puppets are also included to make the stories more interactive.

Join Elaine in the Parents Room located within the birth-three building on Friday 8th Sept at 11am or 3.15pm

Hope to see you there!
