

Welcome to Shawhead Primary

January 2019

Thank you for choosing Shawhead Primary School to begin your child's formal education. Follow us on twitter @ShawheadPS and on our website <https://blogs.glowscotland.org.uk/nl/shawheadps/>

Staff

Over the transition period you will get to know a few members of staff involved directly with settling you child into life at Shawhead Primary School.

Mrs. Paterson- Head Teacher
Mrs. Jack- Principal Teacher
Mrs. Paterson- Base 1 Teacher
Mrs. McKendry- Office

Nursery Visits

Over the course of February and March we will be visiting Shawhead Family Learning Centre, St. Mary's Primary School Nursery Class and Dunbeth Nursery Class to meet the staff and children.

Visits to School

Your child will get a number of opportunities to visit the school. The initial visit is a tour of the school with the nursery staff and parents/carers, followed by informal drop-in play sessions then visits to the classroom. We encourage parents and carers to attend the play sessions too.

Drop in visits

The purpose of these visits is to allow the children to visit in small groups to meet their Primary 6 buddies and P2 chums in school. They will become more familiar with the school and staff as well. The sessions are very much play sessions to encourage the children to feel as relaxed as possible. Parents are able to stay with their child at this time and meet the staff. The Primary 6 buddies will also be meeting the children in the nursery over a number of weeks.

The dates for the drop-in sessions will accompany this newsletter.

Dates for the meet the teacher sessions will be sent in due course.

Tour of the School

Wednesday 20th February 2019

Our Primary 6 buddies will be on hand to show you and your child around the school on Wednesday 20th February 2019 at 10.00am or 2.00pm. Shawhead Family Learning Centre staff will be available to bring the children over at these times. Parents and carers are most welcome to join us at 10.00am or 2.00pm with their child for a look around the school. *Please contact the school to let us know when you are coming.*

Keep Up to Date

A great way to find out more about the school is to go on to our school website.

<https://blogs.glowscotland.org.uk/nl/shawheadps/>

Shawhead Primary is also on Twitter (@ShawheadPS). This is a fantastic way to see the varied activities that take place during the school week.

Working in Partnership

We look forward to working with you to ensure a smooth transition for your child.
