Primary 3/2 Class Newsletter

September 2020

Remember to follow us on Twitter to see all the exciting and interesting things we have been doing. @SikesidePS

I am Miss Brown and I will be teaching P3/2. I am new to the school and cannot wait to have an exciting year of learning with your children. Mrs Johnston will be teaching alongside myself. I hope you all had a lovely summer break. The class have settled back to school and have been working so hard. We are all very excited and ready to learn lots of new things in P3/2.

Interdisciplinary Study

We will be starting the year with our IDL topic, 'Under the Sea'. This links with one of our favourite books 'The Rainbow Fish'. We will be learning lots of new things about fish and other sea creatures

Things to remember

Please remember to come to school with appropriate clothing for PE on our PE days, such as trainers , a light waterproof/windproof jacket and leggings or joggers.
Our days for PE this year are Tuesday and Wednesday.
If bringing a bottle of water to school, please remember this cannot be flavoured water or diluting juice.

Literacy

We have enjoyed reading the Mr Men books as a class to look closer at our emotions. We have begun to read a new book each week at our level which your child should be able to tell you about. Please continue to encourage your child to read books for pleasure.
Our two main writing genres for this term are **Narrative** and **Recount** .
We will also be working on our handwriting and grammar during our literacy time focussing on nouns, capital letters and full stops.
We are continuing to work hard on our spelling using a range of strategies to spell tricky words.

Numeracy

Our main focus this term will be Number and Number Processes, Estimating and Rounding and Shape. We have already begun looking at the hundred number square and counting to 20 and 30 using a number line. Learning the days of the week and months of the year is an aspect of our maths we will continue to learn as a whole class.
Our number talks and mental maths will continue to be a part of our everyday maths lessons to practice developing these skills.

Up and coming events:
In-service day: Thursday 24th September 2020.
September weekend holidays: 25/09/20-28/09/20
October break: 12/10/20- 16/10/20
