

Primary 1 Class Newsletter

November
2020

Remember to follow us on Twitter to see all the exciting and interesting things we have been doing. @SikesidePS

All children are settled and working well in Primary 1.

I am delighted with their enthusiasm, progress and commitment they have shown.

Interdisciplinary Study

Our topic this term is Seasons. Children will be investigating the different seasons, exploring and recording the weather associated with the time of the year. This will enable the children to develop their understanding of the world they live in.

Please encourage your child to talk about the weather and discuss appropriate clothing.

Literacy

Children have been working really hard and are now able to write their name.

They have covered lots of phoneme sounds and letters and are currently working on (g,l,f,o,b,u) and (h,w,j,v,y,z) will be covered next.

They are learning to create words and are making great progress with their sentences and story writing. Please encourage your child to practise their letters at home.

We are also learning to write the days of the week and months of the year.

Things to remember

Please remember that P.E is presently on a Monday and Thursday outdoors.

It is important that children come to school with suitable shoes, joggers/tracksuit and a light waterproof jacket on these days.

Also please follow us on Twitter as we have been posting some lovely pictures of our learning experiences.

Numeracy

Our main focus is on Number and Number Processes this term as well as money and 3D Shape.

Children have been learning to write their numbers 0-20. They have been counting in 2's, 5's and 10's too.

Please encourage your child to count items and identify numbers at home to help reinforce their learning.

Children are enjoying learning about 3D shapes. We will be moving on to investigating money which will further develop their awareness of how money is used in our daily life. Children will be learning to recognise coins and use a range of coins through a variety of activities.
