P7/6 are looking forward to a busy term in the lead up to Christmas. We look forward to welcoming you all to our Remembrance Assembly at 9.30 am on Friday 11th November.

Interdisciplinary Study

Our topic this term is India. The children will engage in research, art, history and literacy activities. We will make comparisons between India and Scotland, use art styles as a stimulus to create our own art, use information to create graphs and charts and be able to explain the importance of religious customs.

Literacy

Throughout the course of this term, we will read a variety of texts both fiction and non-fiction. We will be working hard to improve the quality of our written work, practising our spelling strategies and focusing on handwriting. Our comprehension strategies will be consolidated through the reading of quality texts as well as our IDL topic. Our two genres for writing this term will be Narrative and Information Reports

Things to remember

Children should come dressed for PE on a Tuesday and Thursday and will need an outdoor, rain jacket. Pupils are encouraged to drink plain water throughout the day in class in reusable bottles. We encourage healthy snacks please. Homework will be issued on Teams and completed in jotters.
