Dear Parent or Carer

### DIGITAL LEARNING

Following the Scottish Government's announcement on Monday 4<sup>th</sup> January, all schools will now be moving to remote learning. This will begin on **Monday 11<sup>th</sup> January** and will continue until **at least Monday 1<sup>st</sup> February**. During this time your child's learning will take place online. Our teachers will be alternating between teaching online learning and supporting or keyworker/vulnerable children who are required to attend school. As a result, the teacher delivering your child's learning online, will change at times.

Each day, a teacher will be in direct contact with your child via their Glow Teams page. Your child will take part in various learning activities like they would do at school. They will receive daily support by a staff member and they can ask for help/guidance as they complete their daily activities. Please see the attached document for details on how to access Glow from a range of devices.

NL Digital School have created a Virtual Classroom that your child can also access via Teams. The virtual classroom contains learning activities that your child will be able to complete remotely while at home. Each virtual classroom is colour coded and is appropriate to your child's age and stage. Your child's class teacher will upload on to Twitter what virtual classroom colour your child should enter and use. Any work that they complete can be shared with their teacher via their class Teams page.

The code to join the The Virtual Classroom Team is: **rOf8wg2**.

If you have any enquires regarding your child's login details or need support using online learning, please contact either our ADHT, Mr Duffy via the email [gw09duffystephen2@glow.sch.uk](mailto:gw09duffystephen2@glow.sch.uk) or our Digital Champion, Mrs McGregor via the email [gw11cosgrovemarie@glow.sch.uk](mailto:gw11cosgrovemarie@glow.sch.uk).

We know this is an extremely difficult time for everyone and please remember that you are not alone. We are here to help with any enquires or worries that you have. Your child's education is so important to us all and no enquiry is too big or too small.

Please stay in touch and keep safe!

Yours sincerely

M Love (Miss)  
Head Teacher
