Focus for Learning Primary 3

August- October

Topic

Our topic this term is: Them Bones

Through the context of 'Them bones' we will be learning about areas of Science and Health and Well-being.

We will be learning about the skeleton, the bones and the major organs. We will learn about their function and position in the body. We will also learn how to keep them healthy.

We will examine the role of the senses and carry out an investigation into our sense of smell.

We will also investigate the impact of a healthy diet and will make our own healthy sandwich.

Art, drama and music activities will be linked to this topic.
