

Focus for Learning

Aug-Oct Primary 6

Language

Our focus for writing activities will be on the following genres: Information Reports and Narrative

Our writing will be linked to our topic work which is focussed on climate change.

In reading we will be focussing on comprehension skills which will be assessed in written and verbal forms and in relation to our novel, The Last Wolf by Michael Morpurgo.

Our focus for Talking and Listening will be: Able to take turns of talking and listening in pairs and groups and then feedback to the whole class on what they have said or heard. This will be assessed in an R.M.E. context relating to natural disasters and world aid.
