

# Focus for Learning

## August—October Primary 7

### Numeracy and Maths

**Our focus for this term is:** multiplication, measurement, patterns and relationships and order of operations.

**The children will be learning to:**

- Multiply a 2 digit number by 2 digits without the use of a calculator
- Use factors of larger numbers to multiply mentally
- Convert units of measurement
- Estimate and measure lengths in m, cm and mm
- Explore and continue well known number patterns
- Describe the relationships between two sets of numbers
- Express rules for a sequence in algebraic notation
- Investigate the need for rules for the order of operations (BODMAS)
