Focus for Learning
Primary 1
April- June

Language

In term 4 we will continue to learn new sounds and reading strategies.

In reading we will be focusing on

characters and comprehension of a text.

Our focus in writing will be on the shape, size and formation of letters.

We will have lots of opportunities to

write and we will be writing imaginatively and for a purpose; such as instructions.

In talking and listening we will have the opportunity to talk to an audience. We will also be learning about great listening as part of an audience.

Focus for Learning
April- June
Primary 1

Numeracy and Maths

In this term we will continue to practise adding and subtracting . We will be learning to link addition and subtraction facts. This will help us to solve word problems and decide which strategy we need.

We will be learning about data handling. We will collect information by counting and using tally marks. We will display our information through pictograms, tables and graphs.
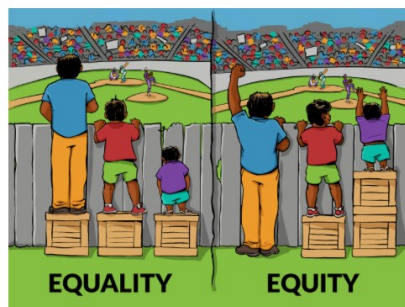

Focus for Learning
Jan– April
Primary 1

Health and Wellbeing

In term 4 we will be focusing on developing skills in;

Identifying ways in which we are the same and different from each other. We will be learning that we all need different things to help us succeed and that this might not always seem fair.

We will talk about what makes us special.

This term in P.E. we will have a badminton coach during May and June.

We will also be given opportunities for creative dance and Learning outdoors.

Focus for Learning
April– June
Primary 1

Topic

Through the Lighthouse Keeper series of books we will be learning about the seaside and pirates.

Through this context we will be learning about creatures that live under and around the sea.

We will investigate different art techniques and explore drama through this context.

In music we will learn sea shanties and dance creatively to music.

We will get the chance to complete a technology project. This term it will be to make a Lighthouse using available resources.
