GOD'S LOVING PLAN

Our new Health and Relationships programme, God's Loving Plan, will be introduced to your child.

Below you will find an outline of the content of the programme for Primary 6 and 7, along with a list of key vocabulary which will be introduced. The content does not differ greatly from previous years when we used Education for Love.

As with every aspect of your child's education we value your help in supporting this programme and if you have anything you wish to discuss further please do not hesitate to contact the school.
