

Focus for Learning

April - June 2018

Primary 7

Language

Our Writing will be linked to our topic Internet Safety.

Our focus for Writing activities will be:

- **Explanation**
- **Instruction / Procedure**

Our focus for Reading will be:

- **Increasing confidence in selecting and using a range of strategies before and during reading to make meaning clear and explain increasingly complex texts.**
- **Identifying and explaining the difference between fact and opinion and recognising when we are being influenced and how useful and believable sources are.**

Our focus for Talking and Listening will be:

- **To listen to and talk with others to share information, experiences and opinions , explain processes and ideas, identify issues raised, clarify points through questioning and summarise main points or findings.**
- **To develop confidence when engaging with others within and beyond our place of learning, select and organise resources with increasing independence and communicate in a clear, expressive way.**

Focus for Learning

April — June 2018 Primary 7

Numeracy and Mathematics

Our focus for this term is:

- **Using a range of mental and written strategies for addition, subtraction, multiplication and division of whole numbers, decimal numbers and fractions.**
- **Investigating and explaining the properties of 2D shapes and 3D objects.**
- **Applying understanding of lines of symmetry to create and complete symmetrical pictures and patterns.**
- **Applying knowledge of number facts to solve problems where an unknown value is represented by a symbol or letter.**
- **Interpreting and presenting data and drawing conclusions from information displayed.**
- **Using knowledge of the coordinate system to plot and describe the location of a point on a grid.**

The children will be learning to :

- **Solve increasingly complex problems involving multiplication and division, addition and subtraction.**
- **Use and apply expressions and equations to solve problems with unknown values.**
- **Display data in a clear way using a suitable scale and making effective use of technology.**
- **Carry out a range of problem solving tasks individually and in groups and sharing strategies to deepen understanding.**
- **Conduct simple experiments involving chance and communicate predictions and findings using the vocabulary of probability.**

Focus for Learning

April - June 2018 Primary 7

Health and Wellbeing

Our focus for this term is: Included.

The children will be learning to:

- **Understand and appreciate that people can feel alone and can be misunderstood and left out by others.**
- **Recognise that each individual has a unique blend of abilities and needs.**
- **Make full use of and value, the opportunities they are given to improve and manage their learning.**

Physical Education

This term we will be focussing on Striking and Fielding and Target activities.

The children will be learning to :

- **Develop their skills in moving an object into space to score or prevent runs.**
- **Increase accuracy in moving an object from a start to a set target.**
- **Further develop their repertoire of movement skills when sending and receiving an object.**
- **Develop team work and ability to actively participate in competitive team sports.**
