Dear Parent/Guardian

At our Meet the Teacher event yesterday only 29 families out of 105 attended. We have tried to make it possible for those collecting children to come in after school and also allow a time which would suit working parents. It is important we encourage as many parents/carers as possible to attend school events so that your children feel their performance and achievements at school are valued. That said, we understand that many families have busy lives and other commitments. Please tell us which events you would like offered in school and how best we can facilitate your involvement with your child's education.

Many thanks to those who did attend and for the very positive feedback we received. We asked parents who attended to complete a Homework consultation, the results of which we will use to develop a new homework policy. If you would wish your views to be heard please access this consultation through our school web site or use the link below which will be open until the 20<sup>th</sup> September 2018.

On another matter we have had to speak to a number of children throughout the school who are swearing and using offensive language in school. This behaviour is not acceptable and we are keen to stamp it out. Please support our school by reminding your child/ren about acceptable language and showing respect to all.

Kind Regards
