

Primary 3-4 Home Learning Activities November

Literacy	Numeracy	Health and Wellbeing/ Cross Curricular
Read your book if you have one home. Think about what you have read and link it to what you already know.	Number bonds Being able to recall number bonds to 10 and 20 is very useful.	Focus on Scottish Foods. Think about what you eat every day. Keep a food diary for a week and mark which foods were grown or produced in Scotland.
Sounds/ Spelling- See attached lists Look at the phonemes and spelling lists. Practise reading, writing and spelling the words verbally. Tell a grown up the word in a sentence to show that you know what it means.	Think about daily opportunities to incorporate maths into your life. Can you find things to weigh, measure or count. What skills are most useful day-to-day? Telling the time? Using money?	November is the month of All Souls. Keep deceased family members in your prayers.
Handwriting- Letter formation is crucial for joined up writing. Continue to practise, focus on size, length, and tails/ flicks. Doorway Online provides activities for letter formation.	Learn Times Tables P3: 2, 4, 5, 10 P4, 2, 3, 4, 5, 10 Practise multiplying and division stories using tables. e.g. $2 \times 5 = 10$ $10 \div 5 = 2$ $5 \times 2 = 10$ $10 \div 2 = 5$	In November we will be doing lots of singing. Try to listen to different genres of music. Talk about which ones you like best. Pop, rap, country, blues or something different?
