

Focus for Learning

Jan—April P3/4

2019

Language

Our Writing will be linked to our topics.

Our focus for Writing activities will be:

- **Explanation and Reports**
- **Narrative**

Handwriting, using accurate formation and beginning joins.

Our focus for Reading will be:

Linking personal experiences to what we are reading.

Creating questions to help make sense of the text.

Offering our own ideas about characters and settings and use of language.

Thinking about the moral or writer's message when reading.

Our focus for Talking and Listening will be:

- **Body language when listening and talking**
- **To be able to think about questions and problem solve their meaning.**

Focus for Learning

January—April P3/4

Numeracy and Maths

In term 3 we will be focusing on:

Number Talks-

Adding up and taking away by breaking numbers into their place value.

Multiplication and Division

Multiplying and dividing -learning times tables 2, 3, 4, 5 and 10 (P3 : 2, 5, 10)

Dividing with remainders.

Patterns and Relationships

Recognising and continuing number sequences up to 1000.

Recognising patterns within addition and subtraction e.g.

3 +7, 13 +7, 23 + 7, 123 +7

Fractions-

Recognising when fractions are equivalent e.g

1/2 and 5/10

Find simple fractions using division knowledge

e'g 1/3 of 15 = 15 divided by 3.

Focus for Learning

Jan- April P3/4

Health and Wellbeing

Our focus for this term is: Respected and Responsible

The children will be learning :

To listen/share/discuss/compromise when working with others.

Respect myself, others & rules of participation

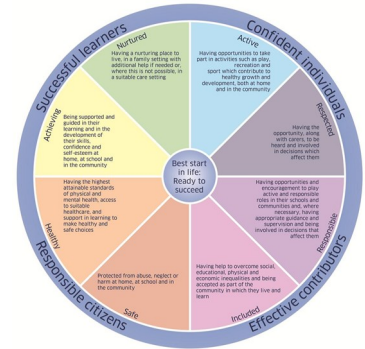

Understand that they have an important role to play in promoting well-being of school & wider community.

Physical Education

This term P.E. will be on Tuesdays and Thursdays. Children require a t-shirt, shorts/ leggings and suitable footwear. Re-usable water bottles are very useful also.

The children will continue with handball and they will also experience activities in net sports including tennis and badminton.

They will have opportunities to learn and participate in a range of dances.

Focus for Learning

January-April Primary 3/4

Topic

This term we will explore:

The Human Body

We will find out what the skeleton is and investigate its three main jobs.

We will learn the names of some of the bones in our bodies.

We will learn about some of our joints and muscles.

We will explore the 4 main organs of the body and find out their roles.

We will be developing our skills of Scientific thinking and carrying out practical activities.
