

Curricular Area	Homework for Primary 4/5 February 2019
Literacy	<ul style="list-style-type: none"> <li>- Choose any five of your common words and write them in a sentence</li> <li>- Practise fun spelling by writing out your words in fancy writing such as dotty spelling, pyramid spelling, ghost writing, block writing, rainbow spelling etc</li> <li>- Spend ten minutes on IDL spelling programme (IDLS Group)</li> <li>- Think of a film or book you love and write a new ending for it where something different happens to the characters</li> <li>- Spend 15 mins reading something of your choice. Is it online? A magazine? A book? Write about why you chose to read this and what you learned in your reading. Draw a picture or diagram to go along with what you have read.</li> <li>- Try a new spelling game online <a href="http://www.learninggamesforkids.com/spelling_games.html">www.learninggamesforkids.com/spelling_games.html</a></li> </ul>
Maths	<ul style="list-style-type: none"> <li>- Ask an adult to ask you questions using fractions e.g. <math>\frac{1}{2}</math> of 16, <math>\frac{1}{4}</math> of 8, <math>\frac{1}{3}</math> of 12 and think how the fractions link into your times-tables and division</li> <li>- Have a go at some decimals questions online <a href="http://www.kidsmathgamesonline.com/numbers/decimals.html">www.kidsmathgamesonline.com/numbers/decimals.html</a> <a href="http://www.topmarks.co.uk/maths-games/7-11-years/fractions-and-decimals">www.topmarks.co.uk/maths-games/7-11-years/fractions-and-decimals</a> <a href="http://www.splashmath.com/decimal-games">www.splashmath.com/decimal-games</a></li> <li>- Spend 15 mins on Sumdog or IDL Numeracy</li> <li>- Make a list of all the factors in these numbers: 24, 36, 40, 12, 16, 100, 56, 28, 30, 90</li> <li>- Do some revision on telling the time. Try using analogue and digital clocks. Write down ten times using both methods e.g 20 past 4 in the morning = 0420</li> </ul>
Cross Curricular	<ul style="list-style-type: none"> <li>- Go a walk with a family member at least once per week for 15 mins</li> <li>- Play a family board game and think about which social skills you are using</li> <li>- Look around your local area and make a list of different non-renewable/renewable energy sources you can see</li> <li>- Make a poster for saving energy around your home</li> <li>- Create three mimes for sports or animals and get your family to guess what they are</li> <li>- Do some research on a local charity. Find out its name and list five facts about the good work it does</li> <li>- Listen to your most favourite song. What do you think it is about? How do you think the singer felt when they wrote the words? What instruments can you hear? How does the song make you feel? If you were to write a song, what would it be about? Have a go yourself!</li> </ul>
