

Indoor shoes

Can all children please bring indoor shoes to keep in their bags. If a child does not have indoor shoes there may be activities they cannot take part in e.g. climbing frame.

Safety

Could we also remind all parents/carers to pay particular attention when opening and closing the door. Please help to ensure the safety of all children by allowing only those directly in your care to leave and always close the door firmly behind you by lifting the handle to ensure it is locked. **Please ensure that gates leaving the nursery and school grounds are closed to ensure the safety of both Nursery and School children.**

If you are in the cloakroom and the doorbell rings please alert a member of staff. **Please do not allow the children to open or close the gate.**

Dear Parent/Guardian

Infection control

Can we please remind parents to keep their children at home when unwell. Unfortunately when children come to nursery unwell this is then passed to other children and staff. This can often result in young children/adults with weakened immune systems becoming very unwell.

Change of clothing

Please ensure your child has a bag with a change of clothes and a spare pair of shoes with them to nursery **each day**. We do not have very many items of spare clothing to change the children if they have an accident or are wet in the water. We would ask in the event that the nursery have provided clothes for your child that these are washed and returned to the nursery as soon as possible as our stock is running very low. In addition we would appreciate any donations of clothing if your child has outgrown their clothes recently.

Topic

We are continuing with our 'In the moment' planning and this month the children have shown great interest in summertime and the seaside.

We will therefore continue to explore this topic, led by the children's interests.

Book of the Month

The children will be looking at a variety of books to further their learning of the seaside and summertime.

Signing in sheets

Please remember to sign your child in and out at each session as this is our register if there was a fire in the nursery. It is vitally important that all children who are present are signed in.

If your child will be unable to attend nursery for any reason please telephone the school on **01236 794828** to let us know. If you know in advance that your child will be absent for any reason please inform nursery staff.

A big thank you to all our parents/carers for your continued support throughout the year from All the Nursery Staff

We would like to wish the following children a Happy Birthday in June:

Maddison, Indie-Rose, Alfie, Eryn, Callum and Carmen.
