

Focus for Learning

August - October 2019

Primary 6

IDL

- We will be investigating the topics Mary Queen of Scots and Classification Eco System.
- Pupil's prior knowledge and what they want to learn will lead the activities planned.
- Some activities will involve:
 - Explore and research the life of Mary Queen of Scots.
 - Investigate life in the 16th Century.
 - Locate key places and landmarks relevant to Mary Queen of Scots.
 - Create Art pieces of Mary and her birthplace.

 - Identify the things living organisms need to survive.
 - Sort plants and animals.
 - Investigate and create food chains.
 - Explore how energy flows between plants and animals in ecosystems.
 - Participate in scientific enquiries and experiments.
