

Primary 4 Home Learning Activities —September 2019

Literacy	Numeracy	Cross Curricular/Health & Wellbeing
<p>Read a book if you have one at home. Think about any new, interesting vocabulary you have read.</p>	<p>Shapes—How many different 3D shapes can you find in your house? What shapes can you find?</p>	<p>Find out the names and locations of any castles either in the local area or around Scotland.</p>
<p>Spelling/Sounds—practise reading, writing and spelling words verbally. Tell a grown up the word in a sentence to show you understand its meaning.</p>	<p>Practise counting in 2's, 5's, 10's, 50's and 100's. Progress to practising times tables if possible.</p>	<p>Research or ask a grown up if they know anything about William Wallace or Robert the Bruce. You can share your knowledge with a grown up if they don't know.</p>
<p>Letter formation is crucial for joined up writing. Practise forming letters correctly to aid handwriting.</p>	<p>Being able to recall number bonds to 20 is very useful.</p>	<p>Take 2 minutes in the evening to think about what made you happy that day. You can write it down or just think quietly.</p>
