

Peanut Allergy!

It is very important that you do not allow your child to bring in any food to the nursery.

Safety

Could we remind all parents/carers to pay particular attention when opening and closing the door. Please help to ensure the safety of all children by allowing only those directly in your care to leave and always close the door firmly behind you by lifting the handle to ensure it is locked. **Please ensure that gates leaving the nursery and school grounds are closed to ensure the safety of both Nursery and School children.**

If you are in the cloakroom and the doorbell rings please alert a member of staff. **Please do not allow the children to open or close the gate.**

Nursery Fund

Your £2.50 weekly snack money is very much appreciated and is vitally important to the service we provide for your children. This allows us to provide healthy snacks for the children, provide new resources and to give them a gift at birthdays and Christmas time. Without your donations we would have to provide a limited snack and also the children would not receive a gift at Christmas Please remember to put your money in the yellow envelopes provided and place them in the box.

St. Mary's

Nursery Class

Dear Parent/Guardian,

We would like to take this opportunity to welcome all of our new children, parents and carers to St Mary's Nursery. If you have any concerns or questions regarding your child and their progress at nursery please feel free to talk to your child's key worker or any member of staff at any time.

Please remember to dress your child in old clothes for nursery as the children sometimes play with messy items and we would not like any good clothes to get ruined. Please also ensure your child has appropriate outdoor clothing and footwear provided during this period as we make use of our outdoor area in all weathers.

Please check your child's poly pocket daily for any news or information. In addition your children work very hard and enjoy taking their work home with them. Please empty your child's tray regularly to ensure the children remain proud of their hard work.

We would ask that all parents pay attention to our whiteboard in the hall as this is where we will place all up to date information concerning the upcoming change in nursery hours. With this in mind we would be very grateful for all parents support at this time as this will be a very different nursery day for both children and staff alike. This may mean your child may be unsettled during the long days and so may need picked up earlier until they adjust to the new times. This will be very much a trial and error time during our initial transition to the new hours and we very much appreciate your support with this, Thank you.

If your child will be unable to attend nursery for any reason please telephone the school on **01236 794828** to let us know. If you know in advance that your child will be absent for any reason please inform nursery staff.
