

Peanut Allergy!

It is very important that you do not allow your child to bring in any food to the nursery.

Safety

Could we remind all parents/carers to pay particular attention when opening and closing the door. Please help to ensure the safety of all children by allowing only those directly in your care to leave and always close the door firmly behind you by lifting the handle to ensure it is locked. **Please ensure that gates leaving the nursery and school grounds are closed to ensure the safety of both Nursery and School children.**

If you are in the cloakroom and the doorbell rings please alert a member of staff. **Please do not allow the children to open or close the gate.**

Nursery Fund

Your £2.50 weekly snack money is very much appreciated and is vitally important to the service we provide for your children. This allows us to provide healthy snacks for the children, provide new resources and to give them a gift at birthdays and Christmas time. Without your donations we would have to provide a limited snack and also the children would not receive a gift at Christmas Please remember to put your money in the yellow envelopes provided and place them in the box.

November 2019 Newsletter

Dear Parent / Guardian

Conjunctivitis

We have recently had an outbreak of conjunctivitis with some of our children within the nursery. We would ask that if your child is showing signs of this with red itchy or weeping eyes to contact the chemist for treatment before your child returns to nursery. This is very contagious and seeking advice from the chemist will in turn stop the spread of this around other children in the nursery.

Sign in/ Out

Can we remind all parents and carers to ensure you are signing your child in or out on a daily basis. This is very important as the sign in sheets are our fire register if there was ever a fire.

Parents Appointments

We will be holding parents appointments on the last week of November. Each group will have a day set aside for their appointments. This will be put on the whiteboard to remind parents. A sheet will also be put up on the windows for parents to select a time of their choosing if they wish to speak to their child's keyworker.

Please continue to check the nursery whiteboard as this is where all up to date information will be posted as things can occur between times of the newsletters being published.

If your child is unable to attend nursery for any reason please telephone the school office on 01236 794828 to let us know. If you know in advance that your child will be absent for any reason please inform nursery staff.

**Thank you for your continued support in the future,
Mrs Clare Louise Harley (Nursery Teacher)
And all the Nursery Staff**

This month our learning focuses will be on Safety and Guy Fawkes night.

Book of the month

We will be reading a variety of books on how to stay safe.

Change of Shoes

Can we ask all parents to bring a change of shoes for their child each day. This is really important as the Winter approaches as the children are now wearing wellies or Winter boots but these do not allow the children to play safely within the nursery. In addition we use the school gym hall on a regular basis and boots or wellies are not safe for the children - run about in. Trainers with Velcro are the best for indoor shoes as the children can become independent at changing their shoes when arriving and leaving nursery.

Christmas Hamper

We would like to have a Christmas hamper this year to help raise some funds for the nursery. If anyone would like to contribute any donations of toys, foods, drinks etc this would be much appreciated. Tickets will be available to buy from the beginning of December and the box will be placed in the hall for any donations to be placed. If any alcohol is being handed in please hand to staff.
