

Keepy Upy Record Example

Make sure you do this activity outside or in a room with lots of space. Ask an adult for permission before you do this. Here is an example of how to record you Toilet Roll Keepy Upy's. First, try to do some keepy upy's and write down how many you managed. Next, roll a dice. If you do not have a dice you can find an online one. Write down the number you have rolled on the dice. Finally, multiply the number of keepy upy's by the number on the dice and write your answer.

Number of Keepy Upy's	Number on Dice	Multiplied Answer
3	5	15
2	2	4
7	1	7
5	3	15
