

Cross Curricular Tasks week beginning 30th March

- Write down 15 words you associate with Easter
- Now draw a grid 15 squares by 15 squares. Hide your 15 words in the grid. Ask someone in your family if they can find all the words.
- Can you design a new Easter egg which would appeal to a young child?
What would you call it?
Which type of chocolate would it be?
What would be inside the egg?
Make sure your design is colourful and eye catching . Think about the shape of the packaging and about illustrations which would appeal to young children.
Write down 3 reasons why this egg would appeal to a young child.
