

## Primary 5 Miss Martin OUTDOOR Learning Grid Week Beginning 1<sup>st</sup> June 2020

This is a designated outdoor learning week so I have kept a basic table of work for literacy and numeracy and attached two booklets of outdoor learning activities which I am happy for pupils to pick and choose from over the week as this is what we would be doing in school.

<b>Literacy</b>	<b>Numeracy</b>	<b>Spelling</b>
Handwriting Unit 13 Dictionary Skills Page 30-31	Sumdog/IDL Numeracy/ Topmarks websites daily	Use a stick and write out your common words in the mud/dirt/sand outdoors.
Comprehension Activity Folk Tales part 2 p30, 32, 33	Textbook pages 60-61 See Attached Subtracting two and three digit numbers	Using a piece of paper and a glue stick, use blades of grass and bend them to write your common words. Glue them on.
Use Sumdog Literacy or IDL each day	Textbook Page 184-185 Data Handling See attached	Write out all of your common words twice and choose five for sentences.
Grammar Unit 15 Confusing Words	Symmetry : Find a variety of leaves from different trees. Glue them onto paper and draw a line of symmetry using a dark felt tip pen.	Write your common words in chalk on the ground outside. If you don't have chalk then use a stone or piece of coal.
