

Primary 3

End of Year Class Party

Please join us for our Primary 3 End of Year Class Party on Tuesday 23rd June at 2:00pm on Microsoft Teams. Please wear your best party outfits and get ready for some fun!

During our party, everyone will have the opportunity to:

- Say hello
- Share a joke
- Share your best memory of Primary 3
- Share what you are looking forward to during the summer holidays
- Share what you are looking forward to when we return to school
- Ask questions about what school will be like when we return

We will also have an Awards Ceremony during our party.

We hope everyone will be able to join us to celebrate a fantastic and very unique school year!

All you need to do to join is log in to our Primary 3 Microsoft Team and you will see the option to **join the meeting**. Please make sure your speakers and microphone are working. Please note that due to the GDPR privacy law, pupils will not be able to use their cameras to see each other but they will be able to see the teachers and hear everyone.
