Hello

Hi everyone.

We hope you are all well and staying safe at home. We are all missing hearing what Santa brought you all for Christmas. The nursery is so quiet without all of you in it.

Stay safe and well

Online Learning

We now have access to Teams so each of the children have been sent a glow email and password through a message on the learning journals. If you cannot access this please contact the nursery so that staff can reset your password. When this is done please keep an eye on your junk/spam email as this reset can sometimes go in there.

Home Learning

We are beginning to collate materials for home learning packs. When these are ready we will send a text/email out detailing how to collect these.

Support

The nursery ladies are still available if you require any support. We can be contacted by phone, email and also one of the ladies will always be monitoring teams if you would like to chat, ask questions or need advice. We will try our best to support you at this challenging time. We are also setting up live chats through teams every day at various times so don't worry if one time does not suit maybe another will.

Phone Calls

The children's keyworkers have been calling families every two weeks to offer support and to let you know that we are still here to support you. If you feel that this is not enough please let us know.

Sharing Learning

We are missing the children a lot so it would be lovely to see what they are doing at home no matter how small. Please share through teams or the learning journals. Even tell the ladies on the phone what your child has been doing. This can help us to share relevant ideas online to help progress their learning.
