

April/May Primary 7 Home Learning Grid 2021

<p align="center"><b>Reading</b></p> <p>Our focus will be <b>non-fiction texts</b>. Create a <b>fact file</b> based on a non-fiction text you have read either in a book, magazine, newspaper or online. When reading your novel/short stories at home, read closely between the lines to understand what the author is meaning.</p> <p align="center"><b>Class Novel</b></p> <p>In class we will be reading the book <b>Divided City</b>. This text explores the themes of sectarianism, prejudice, and discrimination. What do you know about these areas? Complete activity <b>Sectarianism and Tolerance</b> in P7 Teams Homework Folder.</p>	<p align="center"><b>Spelling</b></p> <p>Each night write your spelling words and a weekly spelling paragraph/interesting sentences.</p> <p align="center"><b>RME</b></p> <p>P7 are receiving the <b>Sacrament of Confirmation on Fri 1<sup>st</sup> June at Sacred Heart Parish</b>, Cumbernauld. Research your / a Saint and create a fact file of their life.</p>	<p align="center"><b>Numeracy/Maths</b></p> <p>Look around your environment and see what different <b>2D shapes and 3D objects</b> you can find and take/draw pictures and label them. Think about why particular shapes are used for particular purposes and <b>write about this e.g. a football pitch is a rectangle because...</b></p> <p>Think about <b>fractions</b> at home. How many things can you think of where you can use fractions at home. Create equivalent fractions of your own. Can you simplify</p>	<p align="center"><b>Sumdog</b></p> <p>Use your Sumdog log in and challenge yourself to reach the next level. Try <b>to play at least 30 minutes</b> per week, remember the more you play at home the more coins you receive!</p> <p align="center"><b>Mental Agility</b></p> <p>Complete a multiplication /division task in the P7 Teams Homework Folder.</p>
<p align="center"><b>Research</b></p> <p>Science/Topic We are learning all about <b>renewable and non-renewable energy</b>. What is renewable energy? What is non-renewable energy? Give examples of both. <b>Research</b> the role the <b>Scottish Parliament</b> plays in decisions regarding renewable energy.</p>	<p align="center"><b>Physical Activity</b></p> <p>This month we are working on <b>improving our fitness levels</b>. Reduce the time you spend on your phone/playing on your PS4 or x-box and go out a walk/jog/run.</p> <p align="center"><b>Health and Well Being</b></p> <p>We are reading the book <b>"Diary of a Brilliant Kid"</b>. Keep a diary of all the positive thoughts and actions to have. Do not forget to smile at someone at least once a day! 😊</p>	<p align="center"><b>Expressive Arts</b></p> <p>Spring has sprung! <b>Create a picture</b> to show elements of Spring – green trees, daffodils, birds etc. Can you complete an Eco activity for our Laudato Si' School promise?</p> <p align="center"><b>High School Transition</b></p> <p>Visit the High School Transition Teams page and complete the tasks set by the departments.</p>	<p align="center"><b>Responsible</b></p> <p>This month we are focusing on SHANARRI indicator - <b>"Responsible"</b> In preparation for going to high school, make a conscious effort to <b>show more responsibility towards your work ethic, attitude, and behaviour</b> both in school as well as at home. Confirmation booklets must be completed this month to the best of your ability, this is your <b>responsibility</b>.</p>
