Parent council members will contact the councillors for advice on having a school crossing patrol person.

Parents raised issues with the gate access at the side of the yard being accessed by Ravenswood parents, too crowded and not enough room to move. HT will ask Ravenswood HT to contact parents.

School Trim Trail – worried about wear and tear and if being replaced once Ravenswood leave.- Parent council to contact the Council.

HT advised of a request by Ravenswood Afterschool Club to Use our Outdoor equipment and area. It was felt by Parents that this could set a precedent and that the area is already very congested at 3pm. HT will advise Ravenswood HT.

Parents questioned if Start and Finish times would change. HT advised that this has not been discussed and would only happen if parents were requesting this
