Easter Eggstravaganza

We will be having an Easter Eggstravaganza on Wednesday 23rd March. The children will be involved in lots of Easter activities and we will be having an Easter Bonnet Parade on the day. We can't wait to see your wonderful bonnets!

50-50 Club

The winner of the 50-50 club for February is Colby Gray (afternoon session). He wins £16 and the same will go to nursery funds. Please continue to put £1 in your envelope to support nursery funds. The next draw will take place on 31st March. Good luck!

Stay and Play

We will be holding Stay and Play dates over the next few weeks. This will allow parents the opportunity to spend some time with their child in nursery and to see how they spend their time here.

We will be inviting small groups of parents at a time to ensure there is minimal disruption to children's day.

Please look out for information sent out in letters and on the noticeboard in the cloakroom.

Topic

Our topic this month will be Transport and Wheels. We will be learning about different types of wheels and how different surfaces can affect speed.

Please check the Curriculum for Excellence board to find out what your child will be learning each week. A focus will also be sent out to continue learning at home.
