Welcome Back!

Dear children,

Your teachers and all of the staff in St Aidan's Primary are looking forward to welcoming you back to school on Monday 15th March. We have missed you all very much and we cannot wait to see all of your smiling faces again. The information in this newsletter is just a little reminder of some of the changes we have had to put in place. Some of them are new so take a little minute to read through this with your parents or carers before you come back on Monday.

See you soon!

Zones and Important Times

Here is a little reminder of the zones and gates that each class must use. Only one parent or responsible adult will be able to drop you off and pick you up from school and just like before, access to the playground will only be allowed at home time.

When you arrive at school, give your parent or carer a big hug and wave them goodbye and you will see them again at the end of the day to tell them all about the fun you have had at school.

All adults must wear a mask and keep a safe 2m distance from all other adults.

All boys and girls will attend school from **9am-3pm** and your break times have changed slightly too. Please see below for more information.
