## HOW GOOD IS OUR SCHOOL – PART 2

158 (approximately 12%) pupils across S1 – S6 were asked to complete an evaluation with questions coming directly from Part Two of How Good is Our School.

## HOW GOOD IS OUR SCHOOL – PART 2

### Five Themes & Questions

Theme 1 – Our Relationships – How does our school help you to feel you belong?

Theme 2 – Our learning & Teaching – How easy is it for us to know the progress we are making in school and be able to share this with our parents/carers?

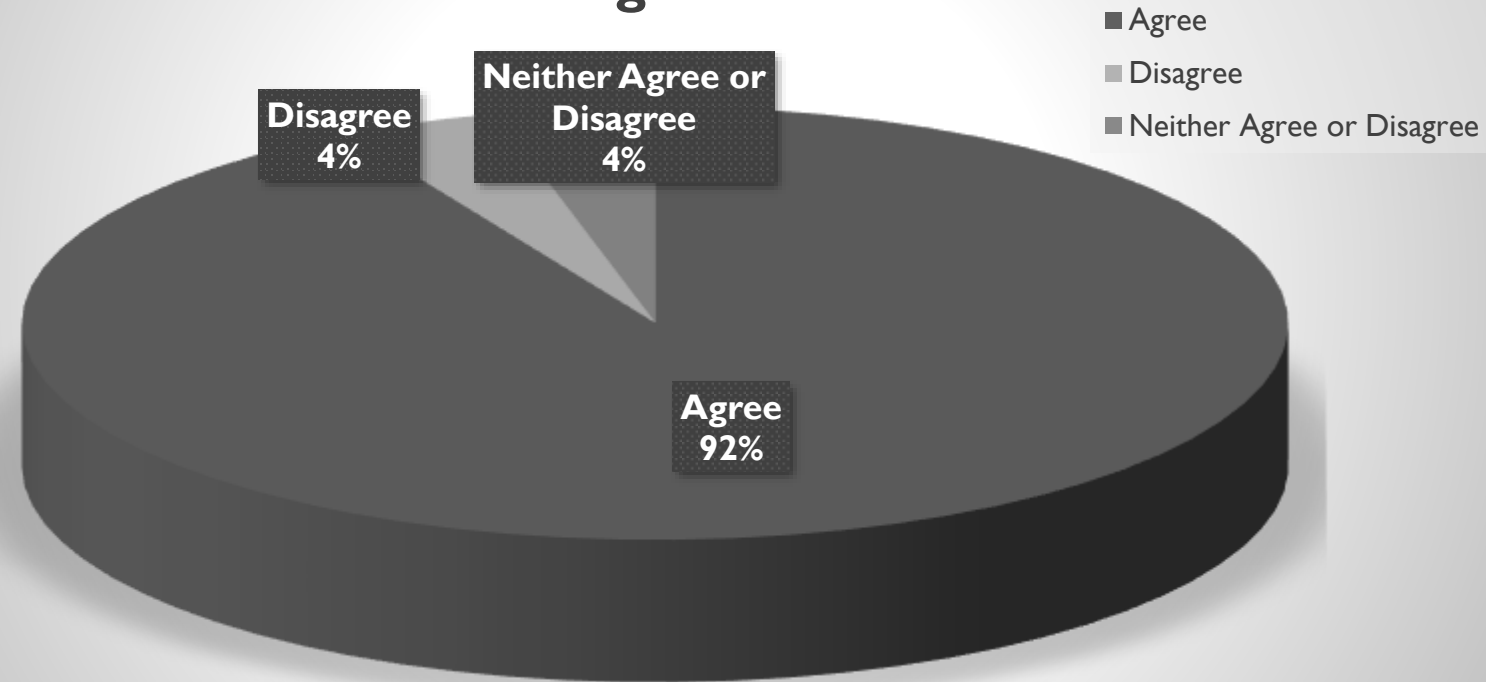

Theme 3 – Our school and community – What do you think of the reputation of our school in the community? What do the local media say about our school? What image of our school is portrayed through social media?

Theme 4 – Our health and wellbeing – Is everyone treated fairly and with respect in our school? How do we know? I feel safe and well as a pupil of St Ambrose High School?

Theme 5 – Our successes and achievement – Are the achievements of all children and young people equally recognised and celebrated in our school? How do we know?

## THEME 4 – OUR HEALTH & WELLBEING

**I feel safe and well as a pupil of St Ambrose High School**

## I FEEL SAFE AND WELL AS A PUPIL OF ST AMBROSE HS

S1	22	0	1

## THEME 3 – OUR SCHOOL AND COMMUNITY

They say that it is  
one of the best  
schools and it's  
lovely to be in. All  
pupils in uniform.  
SI Pupil

People say it's good and the food  
is delicious.  
SI Pupil

I often get told how lucky I am  
to be part of our school and  
how good it is. My parents and I  
also see how well the other  
years are doing through twitter.  
SI Pupil

I hear bad things and good things about  
the school. An example is that one of my  
parents said after visiting the school it  
makes them want to come back to high  
school. The bad thing is the blue water. I  
don't think I have to explain that.

## THEME 3 – OUR SCHOOL AND COMMUNITY

Our school reputation is  
very good but our buildings  
reputation isn't.  
S2 Pupil

It is not great in the  
media but it is a good  
school.  
S2 Pupil

People do great things!

## THEME 3 – OUR SCHOOL AND COMMUNITY

The 'Blue Water' has gave our school a bad reputation but it didn't help that people added to the story.  
S3 Pupil

The reputation of the school was good and still is even though the blue water incident damaged it.  
S3 Pupil

It is a good school but in the media it's not (blue water) but sometimes it's good (Test Scores).  
S3 Pupil

## THEME 3 – OUR SCHOOL AND COMMUNITY

Since the blue water problem the school had a hard time but is slowly regaining its trust by parents.  
S4 Pupil

Although tarnished by the 'blue water crisis' St Ambrose keeps one of the highest reputations of any schools in the area.  
S4 Pupil.

The reputation has been damaged by the blue water stories but it has been dealt with accordingly and so the reputation is better than it was.  
S4 Pupil

The schools image/reputation isn't very good. If someone asks what school I go to and I say St Ambrose there is always a comment about the water. On the other hand it has a good reputation on bullying.  
S4 Pupil.

## THEME 3 – OUR SCHOOL AND COMMUNITY

Unfortunately the schools reputation was damaged earlier in the year and are now trying to build that back up.

S5 Pupil

I can't say much about how the media talks on the school as I don't keep up with these things but personally I think the school's been able to bounce back from the blue water situation

S5 Pupil

I think we have a good reputation because people know the good grades coming from our school to encourage people to come to our school.

S5 Pupil

## THEME 3 – OUR SCHOOL AND COMMUNITY

As a pupil I see my school as a very good high school with a good reputation. However, in the last months the schools reputation has been hindered due to health issues and is portrayed poorly in the media although I feel the school has not only grown stronger from this and for that the school has my respect.

S6 Pupil

Unfortunately our school has had a pretty bad reputation over the last year but apart from that I believe our school is one of the best run schools.

S6 Pupil

I think our school is well known for its academic achievements and most of the community believe it is a well to do school.
