Primary 7 Information Evening

15th November 2022

Prayer of St Ambrose HS

Lord teach me to look for you. When I look show yourself to me. Without your help, I will go through life blind to the many things you do for me. With your help, I will be able to see you in other people and in the ways you show how much you care and love me. As I see you more and more, may I grow in love of you. Amen. St Ambrose... Pray for Us!

This evening we hope to be able to provide you with all the information you need to support you and your child's transition to St Ambrose High School.

258 S1 pupils 5 Cluster Schools

19 Non-Cluster Schools – 6 of which are GCC &

13 are NLC.

getting it right for every child

Getting it right....

Since *** started first year, his parents have noticed a big change in him. *** has been talking about the support he has been getting from all of his teachers and he feels much more confident and able to speak out. His parents asked me to please pass this onto the staff. He is thriving in the morning and this means the world to mum and dad.

Placing Requests – Some clarification

1. If the child is a pupil of the cluster primary school and lives in the catchment – **No** placing request is needed.

2. If the child is a pupil of the cluster primary school but does **NOT** live in the Catchment – **A placing request is required.**

3. If the child is **NOT** a pupil of a cluster primary (denominational or nondenominational) but lives in the catchment – **No placing request is needed**.

If the child is neither a pupil of a cluster primary school nor lives in the catchment – A placing request is required

Placing Request outcomes are not known to us until April 2023 at the earliest.
