

St. Andrew's Primary School Parents as Partners

Dear Parents/Guardians,

As you will be aware, as part of our School Improvement Plan for this session, we have been trying to improve our links with parents. So far, we have had a lot of positive feedback from many of the events we have held to date, but we have many more planned events in the pipeline! We hope you will try to come along and support these events whenever you are able!

Principal Teacher

Outdoor Learning

Following on from the huge success of our Big Clean Up campaign, we now have an outdoor learning timetable set up (see next page). This will allow each class to have access to the natural environment that is right on our doorstep – 'The Moss'. We will also use these sessions to tend to our school garden as the weather improves.

Please make a note of the dates that your child/children will be learning outdoors, and ensure that they bring a change of clothes to suit the weather. Wellies would be the preferred choice of footwear as it can be very muddy in the moss! Any donations of wellies would be gratefully received.

Parents who volunteered to help out, have been assigned to the rota. We understand that many of these parent are shift-workers and these dates may not be suitable. <u>If for any reason, these parents cannot</u> attend to support on these dates, please let us know as soon as possible.

Likewise, if you have not volunteered but would like to offer some time, we would be delighted for you to join us. Please contact the office to collect a 'Parent Volunteer Pack'.

Biscuit and Blether

Would you like an opportunity to discuss your child's school life in an informal setting?

Come and talk to us! We'd love to hear your views about our school and discuss your ideas.

Enjoy the opportunity to catch with other parents over a cup of tea and a biscuit!

First Meeting – Wed 7th Feb from 2:20pm-3:00pm

And the 1st Wed of every month!

We can't wait to see you there!

Please remember to send a change of clothing and footwear on these days!

Boys Night

Research has shown that the interest and involvement of a positive role model can have a huge effect on the education of boys. We realise that families now come in all shapes and sizes, and that for many boys, this influence may come from a father, grandparent, an older brother, cousin, uncle or family friend. It doesn't matter! We would love to see more involvement from the male members of our school community.

Watch out for information coming soon about our 'Boys Night'. Male pupils and role models will be invited to come along for a night of fun team-building activities followed by pizza. We know how competitive vou boys like to be, so come along and show us what you're made of!

Improve your English

Following on from our successful EAL (English as Additional Language) coffee afternoons last term, we are delighted to announce that we will be holding 4 week block, for our parents who do not speak English as their first language. This will be hosted by our Community Learning Development Officer – Sue Hannibal, who has been trained in delivering these courses.

Whilst those parents are brushing up on their English skills, their children will be able to attend a homework club where older pupils will support younger pupils with their literacy development.

These workshops will run from Monday 19th Feb until Mon 19th March. We hope many

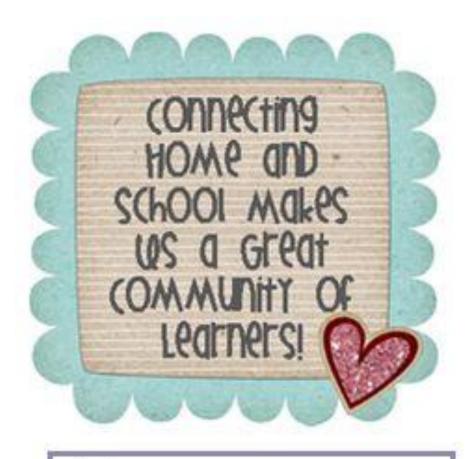

of our EAL parents will take advantage of this opportunity.

Have Your Say!

At the end of the day, the most overwhelming key to a child's success is the positive involvement of parents.
