

St. Andrew's Primary School Parents as Partners

Dear Parents/Guardians,

We are now well into our final term of the year. This session has been filled with so many different Parent Partnership opportunities and we have been delighted with the turnout at all of these events. We are now looking ahead to the coming session and are hoping to build on the positive partnerships we have formed this year. If you have any suggestions or comments that would help us to develop stronger links with parents, we'd really love to hear your views. Please complete our **online survey on twitter** to have a chance of winning a £10 WH Smith voucher.

Mrs C. Lambie

Principal Teacher

Outdoor Learning

Over the last 20 years, childhood has dramatically changed. For various reasons, children now have less opportunity to spend time outdoors and engage with the natural environment. Experts believe that this will have a long term negative affect on our children – hampering their social skills as well as risking stifling their long-term physical, emotional development and wellbeing.

For these reasons, it has been so lovely to get outdoors with the children this year and to make use of the natural green-spaces we have around the school. In the coming session, we are hoping to secure funding that will enhance these experiences and ensure our children have regular opportunities to learn outdoors.

We have been so fortunate to have the support of an army of parents this year, to get our outdoor learning up and running. We are currently looking ahead to next year's calendar and will once again be looking for your support. If you have an hour or so to spare once or twice per month, please complete the returns sli letter attached.

Boys Night

A huge thank you to all the dads, step-dads, granddads, uncles and brothers who came along to support our children at the Boys' Night, back in March. This event was a tremendous success, with positive feedback from all children and adults. Going forward, we are hoping to have more of these events next year to further improve out engagement with parents. If you missed out on the last session, please keep your eyes open for the next event as and places are likely to fill up fast.

African Drumming and Dance

Over the past few weeks, the pupils of P5, P6 and P7 have been learning some African drumming and dance rhythms. This coming **Friday morning- 11**th

May, they will all participate in workshops

delivered by Ghanaian drum and dance teachers-Adie and Thomas from Akrowa UK. <u>In the</u> <u>afternoon at 2:15pm</u>, the children will showcase their drum and dance skills to the whole school and to their parents. If you are a parent of a P5, P6 or

P7 pupil, this event is not to be missed.
