

St. Andrew's Primary

Learning Overview Jan- April

Miss Milliken Primary 6

Literacy	Maths
<p>During term 2 the children will look at a wide range of non-fiction text enjoying opportunities to explore topics of personal interest.</p> <p>The children have worked on the 6 comprehension strategies during the modelling block in term 1. This term they will explore group novels suited to their ability and stage and continue to develop these with greater independence and confidence.</p> <p>In writing the children will focus on Narrative, Recount and Discussion genres</p>	<p>This term the children will continue to develop and reinforce mental strategies though Number Talks sessions exploring and revising Addition, Subtraction and Multiplication.</p> <p>Topic for Term 2 Include:</p> <ul style="list-style-type: none"> • Multiplication and Division • Factors and Primes • Decimal fractions and Percentages • Decimal Fractions • Expressions and Equations • Pattern and Relationships
Health & Well Being	Physical Education
<p>Health and Well Being Lessons will focus on varying amounts of energy we receive from different foods. Children will learn how this is essential for personal Health and Well Being and understand how our bodies need and burn this energy as a fuel.</p>	<p>In PE the children will continue to enjoy the 'Better Movers and Thinkers' lessons with Mr Cairns. Units covered this term will be Gymnastics, Fitness and Racquet/Badminton skills.</p> <p>They are being challenged to improve their concentration and fitness levels whilst also demonstrating excellent listening and co-ordination.</p>
Science	Social Subjects
<p>This term the children will carry out 2 two investigations.</p> <ul style="list-style-type: none"> • Electrical conductors • Bodies Reflexes. <p>The children will have opportunities to explore both these areas as mini topics and recording predictions and results of both investigations</p>	<p>During term 2 the children will be studying the Victorians, in this they will explore Queen Victoria, Christmas Traditions, The Life of Victorian Children and The British Empire. The topic will be brought to life with a trip to Glasgow's Scotland Street Museum where they will participate in a Victorian Classroom re-enactment</p>
Expressive Arts	Technology
<p>ART During term 2 the children will enjoy a variety of Art Lessons focusing on paint and collage many of these lessons will come from their topic the Victorians whilst others will focus Scottish Artists such as Rennie Mackintosh.</p> <p>MUSIC All primary 5 children will continue to participate in Kodaly lessons as well as the seniors choir taken by Mrs Ewart .</p>	<p>The children will continue to use technology to support their learning across the curriculum as well as developing digital research skills in topic related work. They will continue to learn about internet safety and ensuring sources are reliable.</p>
RE (This is our Faith)	Homework Projects
<p style="text-align: center;">This Is Our Faith Focus For Term 3</p> <p>January: Christian Unity January -February: Justice and Peace March -April: Lent</p>	<p>Children have been excellent at completing their homework tasks with some of the children being very creative! - thank you for assistance in this. Please continue to encourage the children to use both Study Ladder, Sum Dog and Spelling City. Thank you</p>

Please find brief details of what your child will be covering in class this term. Take time to ask them about their learning.

We know children attain better when a parent or carer at home discusses their learning with them. Like you, we want all our children attaining and achieving to their maximum potential.
