How to sign in

Get started

Sign in to Teams

1. Go to <u>Office.com</u> and sign in with your school email and password.

2. From your <u>Office.com</u> homepage, click on the **Teams** app to open it right in your browser.

3. Select ****** Teams to see which class teams you're in. If your teacher has already set up the class team and added you, you'll see one of more (depending on how many classes you have) class team tiles.

Note: Don't see any class team tiles? Your teacher may have invited you to join your class team with:

- A join code (from the Teams page, select Join or create team and enter the code)
- A link (check your email!)

When you see your class tiles, click on one to start connecting with your teacher and classmates!

Find and organize conversations, files, assignments, and notes in your class teams.

Get organized

Channels

Every class team has a main discussion area, the **General** channel. Under **General**, your teacher may create more channels to organize topics, projects, and more.

- All channels include a **Posts** and a **Files** tab.
- The **Posts** tab is where you, your classmates, and your teacher can all start and reply to conversations.
- Look for shared documents in the Files tab.
- Along with **Posts** and **Files** tabs, the **General** channel has **Assignments**, **Class Notebook**, and **Grades** tabs.

Class Notebook in Teams

Use Class Notebook in Teams

Need to take private notes or brainstorm with classmates? The **Class Notebook** tab lives in your class team's **General** channel. If your teacher has set up the notebook and directed the class to use it, click the tab and explore.

1. Select > to expand the notebook and see all your sections: a **Collaboration Space** for developing ideas and projects with classmates, a **Content Library** where your teacher can save important resources, and a private notebook section that's just for your work.

 Note the section at that bottom with your name—that's your private notebook! Only you and your teacher can see it.
