The United Nation Convention on the Rights of the Child

- The UNCRC is **International Law**
- Children are the Rights holders and adults are the duty bearers
- The rights apply to all children everywhere
- The rights are based on what children need to live, survive and thrive
- Children need all the rights in the convention and these rights cannot be taken away.

THE RIGHTS RESPECTING COMMITTEE

- We are starting the Rights Respecting Committee within the school.
- Our job as the committee is to raise awareness of your rights and make sure teachers within the school uphold these everyday.
- We will be working towards the first award - BRONZE.

We need **YOU**.

We need **YOU** to join the committee and tell us what we need to do better to ensure you know your rights.

We need **YOU** to help us make this school a Rights Respecting School.

We need **YOU** to tell us what is important to you.

If you want to join the committee and make a real difference in **YOUR** school see any of the teachers to the right
