Dear Parent/Carer,

I would like to take this opportunity to thank you for your support over the return to school.

Our staff are very happy to be working in classrooms again and our prayer is that despite the many challenges we all face in this recovery period, that we will be able to remain open and learning.

Collection of Learners during the school day

If Parents/Carers need to collect their children from school for an appointment or if they are unwell, please collect them from the pupil doors at the rear of the building – **not** the main entrance at the front of the school.

Your son/daughter (as well as our office staff) will be able to see you from the Office window in the school so they will be able to meet you at the exit doors.

If your son/daughter contacts you to bring any forgotten items to the school i.e. Lunch money, P.E. kit etc. Can you please encourage them to see their Pupil Support Teacher or Depute Head Teacher, as our office staff are unable to take these items from you at reception to pass on?

Can we also remind you that Parents/Carers should come to reception by appointment only or in the case of an emergency?

PE KIT

As of Wednesday 26th August, pupils should wear PE kit to school on the days that they have PE on their timetable until guidance on PE changes. At present all PE is outdoor, so pupils should dress accordingly. We are asking that Pupils should wear their PE kit and their St Andrew's blazer to school. Suitable PE kit would include:

- Dark jogging/tracksuit trousers or leggings
- Suitable t-shirt (no football colours or inappropriate logos)
- Dark jumper
- Change of footwear

Reminders will be on Twitter as to which classes have PE each day.

As always, please contact your Childs Pupil Support teacher in the first instance if you have any questions or concerns and check NHS advice around COVID 19 issues here at NHS Informs [website](#)

Yours sincerely

Peter Holmes
