

ACCESSING SACHEL ONE & GLOW

To access Satchel One from a computer click on the following link

<https://www.satchelone.com/login>

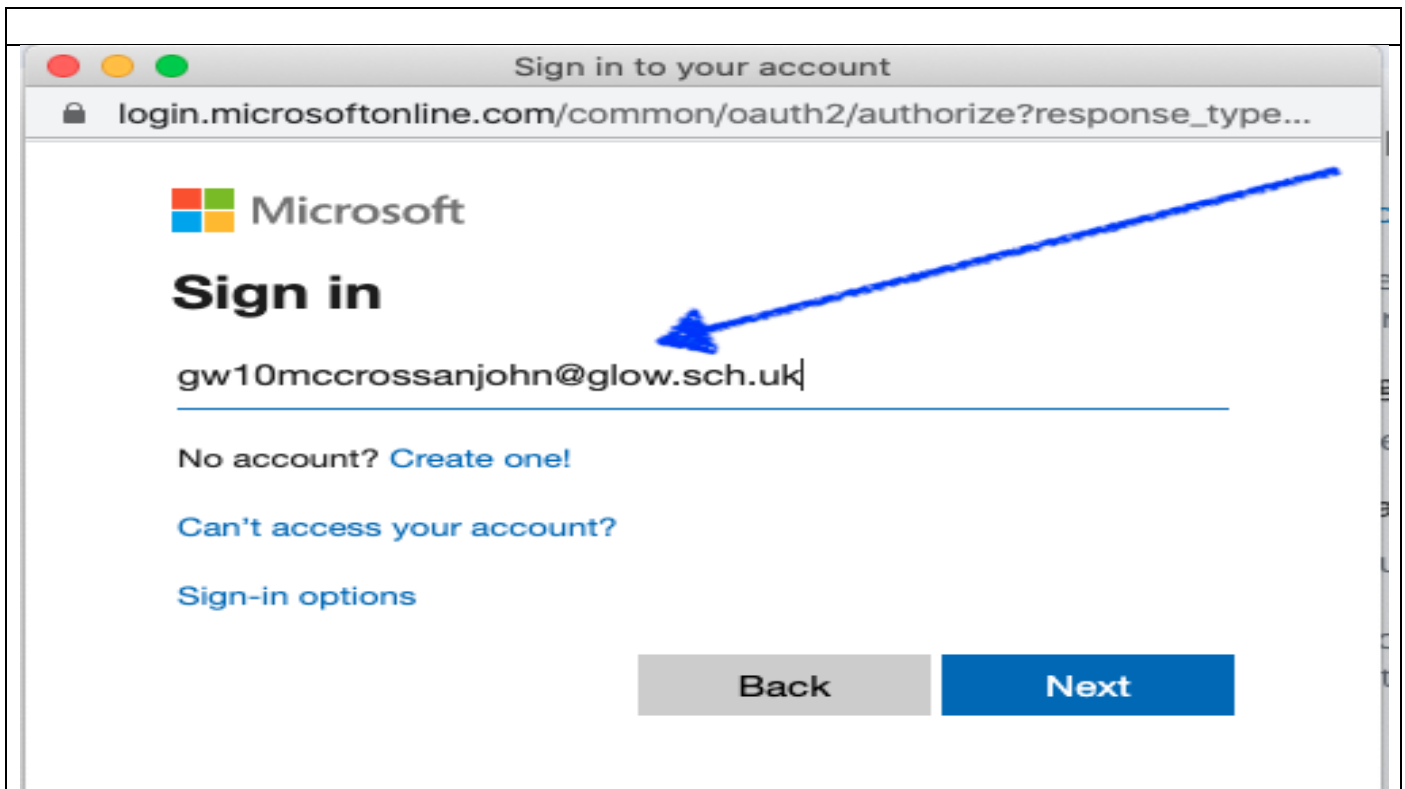

Or download the app from the Apple or Android App Store for phones and iPads/tablets.

A Satchel One tab is also placed on your Glow Launch Pad and can be accessed from there also.

The screenshot displays the Satchel One login interface. At the top, the 'SHOW MY HOMEWORK' logo is centered, with the tagline 'The no.1 homework software for schools' below it. The main heading is 'Please log in'. The login form includes three input fields: 'Enter school name', 'Email/Username', and 'Enter password'. There is a 'Remember me' checkbox and a 'Forgot password?' link. A blue 'Log in' button is positioned below the password field. To the right of the main form, there are three sign-in options: 'Sign in with Google', 'Sign in with Office 365' (highlighted with a green arrow), and 'Sign in with RM Unify'. Below these options is a 'Need help logging in?' section with three links: 'I'm a student', 'I'm a parent', and 'I'm a staff member'. The bottom part of the image shows a browser window with the URL 'satchelone.com/login?subdomain=standrewshigh-coatbridge'. The browser content shows a more detailed login form with tabs for 'Staff', 'Parent', and 'Student'. The 'Staff' tab is selected, and the 'St Andrew's High School' is entered in the school name field. There are also fields for 'Enter email address or username' and 'Enter password', and a 'Log in' button. Below these are 'Or log in with:' options for Office 365, Google, and RM Unify. A 'Need help logging in?' section is also visible on the right side of the browser content.

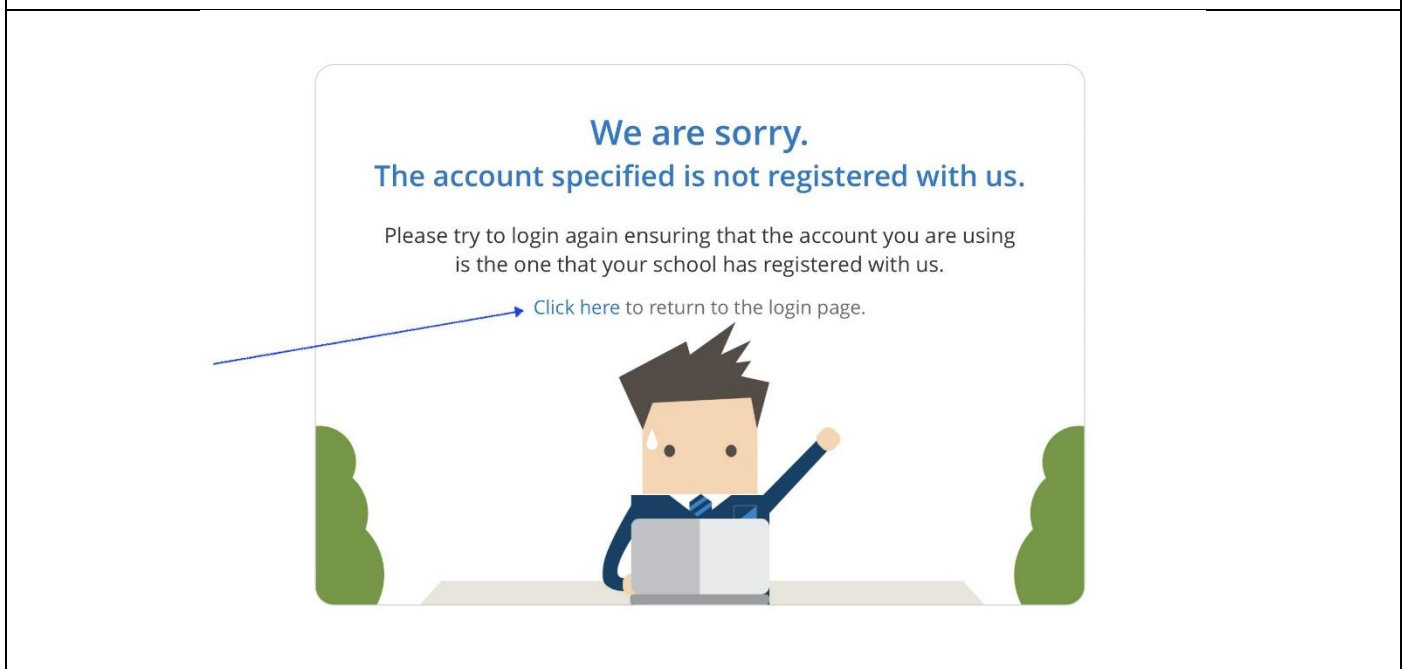

On the login in screen make sure you click the **Sign in with Office 365** option

Another login screen will appear and here you enter your Glow email and password

If you encounter an error screen like below, click on the **Click Here to return to the login page**

(This was an early flaw with the system but should be all be fixed by now so shouldn't be an issue)

Glow can be accessed on Computers, Phones, iPads, Tablets and also from your X-Box & PlayStation.

Accessing Glow on Your Console

Did you know that pupils can access Glow on their gaming consoles? This might help free up home laptops or devices for parents who are also seeking to work from home. It may not be available on all console formats but this guide will help Xbox and PlayStation users.

For Xbox users:

1. Turn on Xbox One and launch Edge*
2. Enter the URL <https://glow.rmunify.com>.
3. Once loaded enter you or your child's username (this will be the part before @glow.sch.uk).
4. Enter the password.
(Optional) You can choose to save the username and password on the browser for easier access next time.
5. Follow this link for a useful video tutorial: <https://youtu.be/rWTwAflKbkU>

*If your console doesn't have the Edge browser, it can be downloaded in your Store.

For PlayStation users:

1. Turn on PS4 and launch Internet Browser (Select Library, then Applications, as shown.)
2. Enter the URL <https://glow.rmunify.com>.
3. Once loaded enter you or your child's username (this will be the part before @glow.sch.uk)
4. Enter the password
5. Follow this link for a useful video tutorial: <https://youtu.be/mHTHaXhccDE>

There is also a YouTube guide to accessing from your X-Box or PS4 at the link below
