INTRODUCTION BY THE HEAD TEACHER

Domine Dirige Nos

Dear Parent/Carer

Welcome to St Andrew's High School, Coatbridge.

Our school handbook is intended to give a summary of the educational opportunities on offer to your child/young person here at St Andrew's as well as insight into the school, its aims and achievements.

The school motto Domine Dirige Nos, Lord Direct Us, is the attitude we have as teachers and staff who are responsible for the day-to-day safety, happiness, health and academic progression of the learners in our care. As a Catholic school our ambition is to foster an ethos where all feel safe, valued, loved and therefore happy as we serve the children and young people of Coatbridge, Glenboig, Calderbank and Harthill. We greatly appreciate the many Parishes which our learners attend and the great work of Fr Ghislain our School Chaplin.

Our learners identified these five values for us all to promote and uphold in our day to work in and around our school:

Fun and Friendship, Achievement, Influencing, Respect and Support.

This all helps to make the school community of St Andrew's a great place to work and learn but don't just take my word for it; take some time to read through our [website](#) and enjoy a regular update on the successes and achievements of our learners by following us on twitter @StAndrewsHS.

The evidence shows that we are making very good progress in key measurements of attainment and achievement for our learners. These statistics help to paint a very positive picture of our overall progress and they point to the hard work, dedication, high standards and achievement of our staff and pupils. In addition, our [HMIe report](#) from December 2022 highlights many areas of strength and is a glowing endorsement of the school community as a whole.

I greatly appreciate all the support we experience in the school, on a daily basis, from the families of our learners. We believe that Parents/Carers are the first educators of their children/young people therefore parental involvement and interest in the life of the school is vitally important to our continued success. I would encourage you to engage with the life of our great School by fully supporting your child/young person's learning at home and by attending all the events we provide to support their journey through secondary.

I look forward to welcoming your child/young person to St Andrew's High School.

Peter Holmes
Head Teacher

SCHOOL IMPROVEMENT PLAN

School Improvement Plan Summary 2025-26

School Improvement Priority 1

Developing further the good learning and teaching in the school. The Teaching and Learning Committee will support staff to evaluate the impact of the SAHS Lesson Evaluation Toolkit which was implemented last session.

Some of the action points are:

- Our Teaching & Learning Committee will plan support for teachers to improve learning experiences across our school.
- Teachers will use the Lesson Evaluation Toolkit to review lessons throughout the session.
- The Teaching & Learning Committee will provide feedback to Teachers and Learners to support reflection and discussion of how we can improve our practice further.

These improvements will mean that:

- Teachers will engage our learners more by sharing our good practice and learning from each other.
- Our teacher's will feel more empowered as they work on improving teaching and learning practice.
- Our learners will have input into improving learning experiences across our school.
- Learners will have a better, more consistent experience in classrooms and therefore make better progress in their learning.

School Improvement Priority 2

We will continue to improve attainment in key performance measures. These improvements will bring us closer to our ambition that every learner leaves our school with a minimum seven SQA qualifications at the appropriate level.

Some of the action points are:

- All subjects in the school will aim to have achieved SQA accreditation by the end of S4 for almost all our learners.
- Key school staff will support improvements in individual learner's attendance, engagement and therefore; their achievement and attainment in school.
- We will further develop and monitor additional courses and qualifications which have been introduced to support better experiences and success for more of our learners.

These improvements will mean that:

- We will move closer again to our ambition of having every leaver from St Andrew's achieving at least seven SQA Qualifications.
- We will better identify Learners who are at risk of not achieving their potential earlier and put support plans into action.
- Our overall attendance rate will improve by 1% on the previous year and be closer to NLC rates.
- A higher percentage of learners will achieve in key measures such as; achieving one or more SQA qualification at National 5 level.

School Improvement Priority 3

Our school will engage with re-accreditation for the RRS Gold Award. As part of this process, we will involve all our stakeholders in a review of our Bullying, Equalities and Conduct Policy and Practice.

Some of the action points are:

- Rights Respecting School Committee will plan and prepare for successful re-accreditation for the Gold Award.
- Reviewing our Policies and Practice will include representation of all our stakeholders.
- Revised Policies will be launched by the end of the session 25/26 with plans for reviews and checks following implementation.

These improvements will mean that:

- We will maintain our Gold RRS Standing.
- Our revised Policies and Practice will lead to improved practice and shared ownership across the school.
- We will reduce the negative impact on Learning and Teaching by reducing disruption in classrooms.
- We will support improved wellbeing amongst all our school community.

PEF Improvement Plan Summary

Our Pupil Equity Fund work builds on already established good practice where aim to improve outcomes for learners who are at risk of not achieving at school. We will continue to focus staff resourcing on key areas such as Year Group Teams, Numeracy and Literacy, Health and wellbeing and learning improvements.

The acting DHT PEF in our Management Structure will support the sustainability and coordination of our efforts to support our most vulnerable learners and their families over time.

Some of the action points are:

- Our Depute Head Teacher – PEF Nurture and Inclusion - will coordinate our targeted work to support our most vulnerable learners.
- We will continue to support the NLC strategy to enhance staffing for our school to support additional support strategies in school; in our Support for Learning Department for example.
- We will continue to work hard to improve all the universal and additional support strategies and build upon our offer to vulnerable learners and families.

These improvements will mean that:

- We will support more Learners to improve their attendance and engage more with their learning at school.
- Improved attendance and our support will enable Learners to attain at least 7 SQA qualifications by the end of S4 or on leaving school.
- We will maintain our Outstanding Positive Destination leaver results.

Languages	SAHS does not provide teaching by means of the Gaelic Language		

A CHARTER FOR CATHOLIC SCHOOLS IN SCOTLAND

St Andrew's High School fully subscribes to *The Charter for Catholic Schools in Scotland*.

The mission of the Catholic school is to develop as a community of faith and learning, providing the highest quality of education, and offering formation through the promotion of Gospel Values, through celebration and worship, and through service to the common good of society.

All Catholic schools in Scotland, in establishing Faith Communities, feature the following characteristics:

- † A commitment to the integrated education and formation of the whole person, in close partnership with parents/carers as the first educators of their children/young people.
- † An inclusive ethos which aims to honour the life, dignity and voice of each person, made in the image of God.
- † A commitment to search for the wisdom in life and to the pursuit of excellence, through the development of each person's unique God-given talents.
- † A commitment to the spiritual formation of the school community, through the shared experience of prayer and liturgy, and in partnership with local parishes.
- † The provision of religious education programmes which will enable young people to develop their understanding of Gospel values and of how to apply them to life.
- † A commitment to uphold the moral teaching, faith tradition and sacramental life of the Catholic Church.
- † A commitment to Catholic social teaching and thereby to promote social justice and opportunity for all.
- † A commitment to ecumenical action and the unity of Christians.
- † The promotion of respect for different beliefs and culture and for inter-faith dialogue.
- † A commitment to support the continuing professional and spiritual development of staff.

All staff appointed to a Catholic school are expected to support and promote the aims, missions, values and ethos of the school, as set out in this charter.

CATHOLICITY, RELIGIOUS EDUCATION AND OBSERVANCE

Religious Education

St Andrew's High School, as a Catholic school, is engaged in faith-based education.

The mission of a Catholic school is to develop as a Community of Faith and Learning, providing the highest quality of education and faith formation through the promotion of Gospel Values, Celebration, Worship, and Service to others. Children taught in St Andrew's High School are educated within a Christian moral framework. They experience an integrated approach to education and formation of the whole person, in close partnership with their parents as the first educators. As a Catholic school we address this mission, which features many of the characteristics listed earlier in the "Charter for Catholic Schools in Scotland". A Catholic school is a community where life is a journey of faith, in which to build love and hope.

This includes a commitment to:

- † An inclusive ethos that respects the life, dignity and voice of each young person.
- † The pursuit of excellence, through the development of the unique talents of pupils and staff.
- † The spiritual formation of the school community through the shared experience of prayer and liturgy, and in partnership with local parishes.
- † The provision of Religious Education programmes which enable young people to develop their understanding of gospel values of truth, honesty, care and concern for others, and how to apply them to life.
- † A partnership between the home, the school, the parish and community.
- † Promoting the spiritual as well as the personal, social, emotional, vocational and academic development of children.
- † The formation of men and women for the service of mankind.
- † A force for ecumenism and growth.
- † St Andrew's High School has a committed Pastoral Team who work with Learners and the School Chaplain to support the Spiritual life of our school.

CHARITABLE ACTIVITIES

Throughout each year, and especially during Lent and Advent, a variety of events and activities are organised by individual classes, year groups and the whole school, in order to aid the established partnership projects through the Scottish Catholic International Aid Fund (SCIACF).

RELIGIOUS EDUCATION PROGRAMME

A major part of the RE Course from S1 to S6 emphasises the rights and dignity of the individuals, attitudes and responsibility towards others and the development of a caring and concerned school community. Each year group will have 2 periods of RE per week with the option to choose studying RMPS in the Senior Phase.

RELIGIOUS OBSERVANCE (RO)

The following extract from Scottish Government Guidance is used by our school when planning Religious Observance events:

“The Scottish Government welcomes the tradition that, in Roman Catholic denominational schools, Catholic Liturgy will largely shape the nature and frequency of RO activities in the classroom and in the wider school community. So, at times, children and young people will be invited to participate in, and sometimes to lead, prayer and reflection in classrooms and at assemblies. At other times, to honour particular occasions or feasts, chaplains will lead school communities in the celebration of Mass and other forms of liturgical celebration.” Scottish Government -March 2017

Bishop Toal has appointed Father Ghislain (St Monica's) as our School Chaplain. Father Ghislain assists the spiritual development of our pupils and provides us with the opportunity for public acts of worship. To this end, Father is regularly in school, working closely with staff and pupils alike, to support and develop their spiritual development. Mass is celebrated regularly in our school oratory and on special occasions, Fr. Ghislain celebrates Mass for as many of the entire school community, such as Holy Days of Obligation and our Patronal Feast Day. Fr. Ghislain arranges for pupils and staff alike the celebration of Sacrament of Reconciliation through private Confession, as well as making himself available for spiritual counselling and advice.

Withdrawal from RO

Under the terms of the Education (Scotland) Act 1980, parents have the right to ask for their child to be withdrawn from Religious Observance.

The school will approach such requests with sensitivity and understanding. The head teacher will arrange to meet with any parent wishing to withdraw their child to ensure that they are clear about the school policy on Religious Observance. In particular, parents will be reassured that the Religious Observance planned by the school adopts an open and respectful approach and does not seek to compromise the beliefs of any pupils or their families.

Parents are reminded of the Scottish Government guidance that:

“Where a parent chooses a denominational school for their child's education, they choose to opt in to the school's ethos and practice which is imbued with religious faith and religious observance. In denominational schools, it is therefore more difficult to extricate a pupil from all experiences which are influenced by the school's faith character.” Scottish Government -March 2017

Where a child is withdrawn from Religious Observance, suitable arrangements will be made by the school for the pupil to participate in a worthwhile alternative activity.

THE SCHOOL DAY

Monday, Tuesday, Wednesday & Thursday

Period	Start	Finish
Period 1	08.55	09.45
Period 2	09.45	10.35
Interval	10.35	10.50
Period 3	10.50	11.40
Period 4	11.40	12.30
Lunch	12.30	1.15
Period 5	1.15	2.05
Period 6	2.05	2.55
Period 7	2.55	3.45

Friday

Period	Start	Finish
Period 1	08.55	09.45
Period 2	09.45	10.35
Interval	10.35	10.50
Period 3	10.50	11.40
Period 4	11.40	12.30

SCHOOL HOLIDAY ARRANGEMENTS 2025/26

Summer 2025 - school closes: Wednesday 25 June 2025 at 1pm

Teachers return and in-service days 1&2: Tuesday 12 August & Wednesday 13 August 2025

Pupils return: Thursday 14 August 2025

September weekend: Friday 26 September to Monday 29 September 2025 (inclusive)

October week: Monday 13 to Friday 17 October 2025 (inclusive)

In-service day 3: Monday 17 November 2025

Christmas - school closes: Thursday 18 December 2025 at 2.30pm until Friday 2 January 2026 (inclusive)

Schools return: Monday 5 January 2026

Mid-term break: Monday 16 February and Tuesday 17 February 2026

In-service day 4: Wednesday 18 February 2026

Easter - School closes: Friday 3 April at 12.30pm until Friday 17 April 2026 (inclusive)

(Good Friday: 3 April & Easter Monday: 6 April)

Schools return: Monday 20 April 2026

May holiday: Monday 4 May 2026

In-service day 5 : Thursday 7 May 2026

May weekend: Friday 22 May to Monday 25 May 2026 (inclusive)

Summer 2026 - school closes: Friday 26 June 2026 at 12.30pm

THE SCHOOL BADGE: AN EXPLANATION

The school crest was designed by one of our own students following the amalgamation of Columba High School and St Patrick's High School and their Associated Primaries in 2005-2006. The design best represents the proud histories of the two "parent" schools; at the same time, it offers a real sense of the identity of the new community of St Andrew's High School.

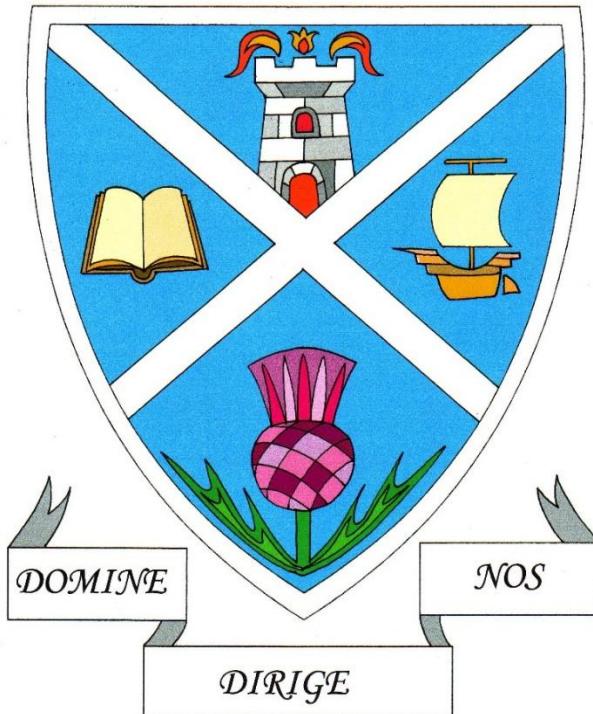

The shield design is divided into four quarters by the white cross of St Andrew.

The fiery tower comes from the Coat of Arms of the Burgh of Coatbridge.

The thistle is a symbol of our nation.

The motto 'DOMINE DIRIGE NOS' means Lord Direct us.

The motto is the official motto of St Andrew's in Fife. It is also the motto of the House of Commons. Before each session of the House, the motto is recited together with the Westminster Confession.

ST ANDREW'S HIGH SCHOOL UNIFORM

Clothing and Uniform:

All North Lanarkshire schools must have a dress code which encourages pupils to dress in a way which is appropriate to attendance at school. This dress code must not lead to direct or indirect discrimination on the grounds of race, religion, gender or disability. Prior to drawing up the dress code the parents/carers, pupils and staff were fully consulted. It is the expectation of Education and Families services that parents/carers will be keen to support the dress code and written agreement may be sought.

Clothing which is unacceptable in school under any circumstances includes items which:

1. Could potentially encourage factions (e.g., football colours)
2. Could cause offence (e.g., anti-religious symbolism or political slogans).
3. Could cause health and safety difficulties such as loose-fitting clothing, dangling earrings and other potentially dangerous jewellery.
4. Are of flammable materials which may be a danger in certain classes (e.g., shell suits).
5. Could cause damage to flooring.
6. Carry advertising in particular for alcohol or tobacco.
7. Could be used to inflict injury to other pupils or to be used by others to do so.

Parents are entitled to receive a clothing grant if they are in receipt of any of the following: Income Support, Job Seekers Allowance (income based), Employment & Support Allowance (income related), Universal Credit, Housing Benefit, Council Tax Rebate.

Parents in receipt of a clothing grant from the Council will be encouraged to purchase items which are in accordance with the school dress code. Approval of any requests for such grants in other circumstances are at the discretion of the Chief Officer, Education and Families. Information and application forms may be obtained from [Free school meals and clothing grants | North Lanarkshire Council](#) .

Whilst in general terms it would not normally be the policy of the authority to exclude a pupil from school solely on the basis of their dress, persistent refusal to respond to a reasonable dress code may be deemed to be a serious challenge to the head teacher's authority and to be detrimental to the wellbeing of the whole school community. In such circumstances a head teacher may justify the use of the school discipline procedure.

The Council wishes to minimise claims arising from the loss of pupils' clothing and/or personal belongings. Parents/carers are asked to assist in this area by ensuring that valuable items and unnecessarily expensive items of clothing, jewellery, etc., are not brought to school. Parents should note that any claims submitted to cover the loss of such things are likely to be met only where the authority can be shown to have been negligent.

Parents have given the school wholehearted support on the matter of our school uniform. We are most grateful to parents and hope that their continued support will be forthcoming in what we consider to be a most obvious and important factor in maintaining our school ethos.

This uniform dress code was developed by the school council and has the full support of St Andrew's High Parent Council.

All pupils are encouraged to take a pride in their appearance, setting high standards. Pupils are expected to use a sound judgement and reflect respect for themselves and others in their dress and appearance.

St Andrew's High School's policy is that all our pupils require to wear the school uniform.

1. This is a sign of the pride pupils take in their school and reflects their commitment to and identification with St Andrew's High school.
2. It encourages school attendance.
3. It encourages good order and conduct.
4. It improves school security by identifying unwelcome visitors.
5. It reduces the pressure to compete wearing designer or fashion clothes and the financial pressure on parents.

The School Uniform consists of:

1. A **white** School Shirt/Blouse, and School Tie which is visible at all times.
2. **Black** 'dress' Trousers or Skirt (Leggings, Jeans and Track Suits are not acceptable, under any circumstances). SAHS Tartan Skirt is available from Scotcrest.
3. Plain **Black** jumper, cardigan or 'quarter zip'. SAHS Jumper & Hoodie available from Scotcrest.
4. A St Andrew's High School Blazer.
5. Sensible, plain **All Black** footwear.

Uniform can be ordered from [St Andrews High \(scotcrestschools.co.uk\)](http://scotcrestschools.co.uk)

SCHOOL PHYSICAL EDUCATION KIT POLICY

The St Andrew's HS Policy on PE kit is consistent with the North Lanarkshire Council **Code of Practice for Participation in Physical Education**.

1. All pupils are required to bring full kit for each PE lesson they are timetabled for.
2. PE clothing must be in line with school dress policy and should not include football team tops or feature inappropriate slogans on t-shirts.
3. PE clothing should not be inappropriate for participation in a school environment.
4. Watches, jewellery, or any other items which may be deemed dangerous to self or others, should be removed before participation.
5. The school will not be responsible for valuable items such as jewellery and mobile phones.

PUPILS WHO ARE INJURED OR UNABLE TO PARTICIPATE FULLY

1. Pupils in this category should still bring full kit, and a note from parents/carers outlining the nature of the injury or illness.
2. Pupils will be given modified activity, in line with that which what they are capable of, or assume another role within the lesson, such as coach, referee etc.

In this way pupils can still be fully involved with their peers, and fully engage in learning. This policy also dramatically cuts down on the instances of pupils arriving without kit.

To minimise unnecessary contact with parents, all pupils are expected to follow the above policy.

MEALS

The school has a social area with catering facilities providing opportunities to purchase food, drinks and snacks before school, at interval and lunchtime. Pupils can also use the [FUSION APP](#) which allows our Catering staff to pre-prepare meals to order so that learners don't have to queue. For the first term we ask for parental support so that First Year learners remain within the school grounds at interval and lunchtime to support their wellbeing and safety.

Information on all aspects of meals in school can be accessed here [School meals | North Lanarkshire Council](#)

The availability of special diets:

Diets required because of a medical condition (a medically prescribed diet e.g. coeliac disease, diabetes, food allergy or intolerance) can be provided in school. A medically prescribed diet, **form 1a** must be completed by the child's Registered Dietician or General Practitioner. Procedures and forms can be accessed from the child's school or dietician, or from North Lanarkshire's via the link above. Occasionally, parents/carers may be asked to supply prescription foods or attend a meeting to discuss the child's dietary requirements. A vegetarian option is available daily and while free milk is not provided for secondary pupils it may be available for purchase.

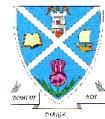

Special diets required for ethical, religious or cultural reasons and others such as Vegan can be accommodated and **form b** should be completed and can be signed by the parent. All forms should be returned to specialdiet@northlan.gov.uk

Those who bring packed lunches are welcome to use the tables in the social area or in the yard around the school.

Children of parents receiving Income Support, Job Seekers Allowance (income based), and Employment & Support Allowance (income related), Universal Credit (with an income below £660 per month), are entitled to a meal without charge.

Students aged between 16 and 18 and who are in receipt of any qualifying benefits can apply for free school meals in their own right.

Information and application forms may be obtained from [Free school meals and clothing grants | North Lanarkshire Council](#) .

CHILD PROTECTION

Every adult in Scotland has a role in ensuring all our children and young people are safe and protected from harm at all times and in all situations. The Head Teacher is responsible for the school's actions in response to Child Protection concerns. If there are any Child Protection concerns the Head Teacher or the Child Protection Co-ordinator will follow North Lanarkshire Child Protection Procedures and Guidelines.

Child Protection Co-ordinator: Pauline Morrison (Depute Head Teacher)
Telephone Number: 01236 632163

ADULT PROTECTION

The Council has responsibility under the Adult Support and Protection (Scotland) Act 2007 for the protection and support of adults at risk of harm within North Lanarkshire. Its employees therefore have the responsibility to ensure the welfare of all adults at risk of harm with whom they come into contact, as well as providing the highest possible standard of care for some of the most vulnerable members of our society.

If there are any Adult Protection concerns the Head Teacher or the Adult Protection Co-ordinator will follow North Lanarkshire Adult Protection Procedures and Guidelines

Adult Protection Co-ordinator: Pauline Morrison (Depute Head Teacher)

CURRICULUM FOR EXCELLENCE

What is Curriculum for Excellence (CfE)?

Curriculum for Excellence is Scotland's national curriculum. It provides a coherent and inclusive curriculum from 3-18 years wherever learning is taking place, including early learning childhood centres, schools, colleges and community learning. It places children and young people at the heart of Scottish Education.

The purpose of CfE is encapsulated in the **four capacities** – to enable each child or young person to be a **successful learner**, a **confident individual**, a **responsible citizen**, and an **effective contributor**.

These four capacities govern the entire curriculum from age 3 to 18 and aim to raise the standards of achievement for all learners.

CfE is underpinned by the values inscribed on the mace of the Scottish Parliament – wisdom, justice, compassion and integrity.

Throughout CfE there is a strong focus on Literacy, Numeracy and Health and Wellbeing across all aspects of learning and every teacher will support learners with the development of these, including digital literacy skills.

CfE is defined as:

The totality of all that is planned for children and young people throughout their education. The opportunities for learning and teaching are governed by the Four Contexts for Learning, which ensure that the education your child/young person receives is informative, interesting, relevant, and fun.

These contexts are:

- Ethos and life of the school as a community
- Curriculum areas and subjects
- Interdisciplinary learning
- Opportunities for personal achievement.

There are **five** levels within CfE and these are flexible depending on pupils' needs and abilities (some children and young people may achieve these levels earlier or later dependent on ability):

- Early level pre-school to P1
- First level to the end of P4
- Second level to the end of P7
- **Third and fourth levels S1 to S3**
- **Senior phase S4 to S6 and other forms of study.**

The Broad General Education (BGE) is the first phase of two closely connected phases of education. The BGE phase stretches from age 3 until the end of S3 after which learners move into the Senior Phase which starts in S4.

Curriculum Areas and subjects

The BGE is delivered via 8 curricular areas which, in secondary school cover years S1 to S3, and may be subdivided further into individual subjects. The 8 curricular areas are:

- Expressive Arts
- Languages and Literacy
- Health and Well Being
- Mathematics and Numeracy
- Religious and Moral Education
- Sciences
- Social Studies
- Technologies.

The Senior Phase

The Senior Phase curriculum, from S4 to S6, follows a young person's broad general education, building firmly on the experiences and outcomes they will have experienced and achieved by the end of S3. It enables them to extend and deepen their learning and continue to develop skills for learning, life and work, through qualifications and through a range of opportunities for personal development such as awards and wider achievements. It is designed to support young people in moving on to positive sustained destinations, whether that is college, university, training or employment. In the Senior Phase, schools and their partners (such as colleges, employers or community learning and development providers) now have flexibility to offer a range of pathways that meet the needs and raise the attainment levels of all learners – including pupils who might previously have become disengaged from education.

Assessment and Reporting

Assessment is an important part of the Curriculum for Excellence, and, at all levels, pupils' progress is closely monitored by teachers and staff.

In turn, teachers and staff work with pupils to reflect on their results, looking at their strengths and learning needs, agreeing next steps and action based on these. As they progress, pupils become more involved in this process, as they develop the skills to make effective judgements on their own learning, developing personal expertise that will be important to them throughout life. Assessment also helps teachers plan learning experiences, which are motivating and challenging. Children who may have additional support needs will be assessed using methods best suited to their individual requirements.

Arrangements for Reporting to Parents

We have listened to Teachers, learners and Parent's views on our reporting on learner progress. Each learner in our school will receive an initial Tracking and Monitoring Report on their effort, behaviour, homework and progress within their learning before the end of October. For senior phase learners (S4-6) there will also be a target grade and working grade for each subject being taken.

There are Parents' meetings for each year group as well as a full progress report. This has shown to provide relevant, timely information to Parents and Carers at key points.

We encourage Parents and Carers to contact their child or young person's Pupil Support teacher who will be happy to talk about their progress and deal with individual queries.

In order to keep Parents informed of Homework tasks, upcoming assessments etc. we use the Satchel One App. More information on the details of this will be communicated upon enrolment, however, it is basically an electronic platform where teachers set homework tasks and relay important information which parents and carers can have access to on a daily basis.

Reporting Event Dates

S1 Parent Meeting October
S1 Tracking 1 November
S1 Full report March
S2 Tracking 1 September
S2 Full report November
S2 Parents Meeting & options information January
S3 Tracking 1 October
S3 Full report January
S3 Parents Meeting & options information February
S4 Tracking 1 August
S4 Parents Meeting November
S4 Full report January
S5/6 Tracking 1 September
S5/6 Parents Meeting November
S5/6 Full report February

All reports are available for Parents & Carers and their children via the Parent Portal. If you have a question or a concern about your child, then you can contact the school directly as mentioned previously.

Qualifications

National 4 and 5 qualifications were introduced in 2013/2014. Highers and Advanced Highers were updated to reflect Curriculum for Excellence. New Highers were introduced in all North Lanarkshire schools over sessions 2014-15 and 2015-16

In learning areas, staff are using improved ways of assessing children's learning taking account of national and local advice and guidance. Your child/young person's progress will be reported to you so that you know how well they are doing.

Each year our school will let you know what is being done to implement Curriculum for Excellence so that you can be confident that your child/young person is receiving a high-quality education.

Wider methods of assessing achievement include Sports Leaders Award, Duke of Edinburgh Award, Saltire Award, Dynamic Youth Award and Caritas etc.

Further information can be obtained from the following websites:

- www.educationscotland.gov.uk
- www.parentforumscotland.org

Skills Development Scotland – My World of Work

In St Andrew's we are fortunate to have our SDS colleague Shona Thomas working here as part of our Pupil Support Team every day. She will meet every young person as they move through the school to support their future career aspirations. My World of Work is a web service for people to plan, build and direct their career throughout their lives. It provides information on the jobs market as well as offering help with things like tackling tough interview questions. To explore My World of Work and the range of tools on offer, visit www.myworldofwork.co.uk

ST ANDREW'S HIGH SCHOOL CURRICULUM RATIONALE

General Principles of Curriculum Design, CfE

The curriculum is the totality of the learning experience irrespective of where the learning takes place. It includes learning which takes place in and out of school and which is delivered through partnership. The rationale for the curriculum is based on shared values and the *four* contexts for learning.

The six key learner entitlements and the four capacities are met through learning that is well-planned and inter-connected; the preferred curriculum model supports a clear and shared strategy for the development of literacy, numeracy and health and wellbeing.

The curriculum is based on the design principles of challenge, application and enjoyment, breadth and depth, progression, relevance, coherence and personalisation and choice for *all* learners.

The curriculum model is evolving progressively over time to deliver the CfE entitlements and there are clear plans to review curriculum structures.

The curriculum provides a range of progression routes to meet the needs and aspirations of all learners, allowing them to progress in different ways and at a pace appropriate to their prior learning.

In the Broad General Education (BGE) the curriculum displays a balance between breadth and depth of learning and it provides courses which offer interdisciplinary programmes and greater flexibility, personalisation and choice.

In their journey through the BGE, learners have opportunities for increased specialisation that prepare them for the Senior Phase and the qualifications framework. The curriculum is regularly and rigorously monitored and evaluated at all levels.

SAHS CURRICULAR ARRANGEMENTS

Learning in S1/2 is intended to build on the learner experience of Primary 7. All subjects in the S1/2 curriculum sit within the 8 curriculum organisers, plus Personal Support. Some subjects sit across more than one curriculum organiser.

SCIENCE	- <i>Biology, Chemistry & Physics</i>
LANGUAGES	- <i>English, Modern Languages</i>
MATHEMATICS	- <i>Mathematics</i>
TECHNOLOGIES	- <i>Technological Studies, Computing & Business Mgt.</i>
SOCIAL STUDIES	- <i>History, Geography & Modern Studies</i>
EXPRESSIVE	- <i>Music, Drama, Art & Design</i>
HEALTH & WELLBEING	- <i>Physical Education & Home Economics</i>
PERSONAL, HEALTH & SOCIAL EDUCATION	- <i>Religious and Moral Education</i>

1. Personalisation and choice sit within learning experiences and outcomes in subject courses in curricular areas, as well as within interdisciplinary work.
2. Through every subject, learners benefit from teachers sharing responsibility for literacy, numeracy and health and wellbeing (including personal support), as well as enterprise and citizenship.
3. Currently in S1, learners follow a broad-based curriculum of 15 subjects over the school year. There is one interdisciplinary learning programme within the S1 curriculum, which involves collaborative work across a range of departments and faculties.
4. In S2, the curriculum structure remains broad and there is increased personalisation and choice within learning experiences and outcomes in all subjects. There is one interdisciplinary learning programme in the S2 curriculum.
5. In S3 pupils are taking forward Maths & English plus 6 subject choices, this enables pupil-entitlement to 3rd & 4th level experiences and outcomes to be met.
6. In S4 learners will be presented for National courses in Maths & English plus their 5 chosen subjects.
7. In S5 pupils take English and 4 chosen subjects. Almost all subjects can be taken to Higher level, and the assumption is that the subjects chosen in S5 will be a progression from S4. There may be exceptions to this for a small number of learners.
8. In S6 pupils take a minimum of 4 subjects and we have developed a service programme providing substantial opportunities for our senior students to develop their citizenship skills, contribute to community and develop further their interpersonal skills. There are many opportunities for learners to participate in the other programmes such as: Duke of Edinburgh Award, Saltire Awards, Buddying & Working With Others, Dynamic Youth Awards, Caritas Award..

SQA EXAMINATIONS

Throughout the year the progress of pupils is monitored by both subject and Pupil Support staff to ensure that the level of work is appropriate and that pupils are working to their potential. St. Andrew's High School offers its best professional advice as to which level of National Examination Presentation, for each subject, a pupil should consider.

This recommendation is based upon a pupil's attainment record established by regular assessment. Where concerns arise about levels of exam presentation, these will always be fully discussed with pupils and parents.

SQA Awards - National Qualifications

- SCQF and National 3 & 4 awards are pass/fail only.
- National 5, Higher and Advanced Higher awards range from grade A the highest and grade D the lowest. No Awards occur below grade D. For Information - National 5 grade D is of a higher SCQF value than a national 4 Course Award.

ACHIEVEMENTS

In St Andrew's High School we create an ethos of achievement which encourages all pupils to work to their full potential and succeed in all areas of their school and personal life.

We acknowledge and celebrate these achievements at Year Group Assemblies, special subject presentations, concerts, and in our regular Parent Newsletters as well on our Big Screen in the social area. Each year our BGE and Senior Award Ceremonies ensure that the achievements of our pupils receive public recognition.

A school's success is only achieved through the strong support and enthusiasm of parents, pupils, staff, and the wider community.

EQUAL OPPORTUNITIES

At St Andrew's High School we are committed to ensuring that our policies and practices do not impact adversely on any particular group(s) of people and that opportunities to promote equality are actively pursued.

It is the aim of the school to implement the Equal Opportunities Policy of North Lanarkshire Council. All pupils have an equal opportunity to choose the curriculum options on offer. No pupils will be advised to make an option choice on the grounds of gender.

Our aim is to provide an education for each individual pupil, rather than one which perpetuates a stereotyped range of choices for example.

The Equality and Human Rights Commission's Technical Guidance for Schools in Scotland details the essential requirements of the Equality Act 2010 for schools. This can be assessed at:

<http://www.equalityhumanrights.com/en/publication-download/technical-guidance-schools-scotland>

PSHE PROGRAMME – CITIZENSHIP

Through the citizenship programme pupils explore:

1. Their rights and respecting the rights of others.
2. Justice, tolerance and respect.
3. Having their say on matters affecting them.
4. Exploring 'community' and helping take action for the benefit of the community.
5. Caring for the Environment.
6. Crime and Disorder.

HOMEWORK

Homework is an essential part of learning, and pupils are encouraged to adopt a positive attitude towards it.

Homework is essential because it:

1. Reinforces and consolidates classwork
2. Is an extension to classwork and stretches pupils.
3. Is an opportunity to evaluate pupil learning
4. Supports the development of study skills and self-discipline
5. Promotes the good habit of regular work and independent learning
6. Promotes motivation in pupils
7. Supports areas of development needs
8. Strengthens partnership and communication between the Home and the School

Homework may involve reading, writing, problem solving, investigative work, compiling reports, carrying out questionnaires or surveys and revision, as well as the more 'traditional' forms. Like classwork, homework should match the capability of the individual pupil. This may result in individual pupils from the same class being given quite different homework tasks.

Teachers will work hard to ensure that homework is issued, marked, and returned with feedback which support the learning of all pupils.

All homework should be within the capability of each pupil and at the same time be challenging. During S3 and S4 it is important that pupils are challenged by more advanced aspects of their subject courses at home to stimulate interest and promote high achievement.

While we do not offer recommendations for the minimum time pupils should spend on schoolwork at home, it is widely recognised that establishing good routines to complete homework tasks to a high standard build essential skills for life and work and enhance the learning experience.

Those who are undertaking National Qualifications beyond S3 will require to spend considerable additional time per week on study/homework for each of their subjects. At this stage pupils should have built up the good work habit and self-discipline of private study. It is hoped that the gradual build-up of homework from S1 to S4 will help in the development of positive attitudes towards study.

We use **Satchel One** in St Andrew's to set homework tasks etc. It is an excellent App which allows Teachers and Learners to share homework tasks etc. and which Parents & Carers have access to view so that they can support learners at home. All learners and their parents/carers received set up and login details for this.

Parents & Carers can assist their child/young person with homework by:

1. Providing the right atmosphere for study at home – peace and quiet.
2. Checking your child/young person's homework by using the Satchel One App.
3. Encouraging students in S4-S6 to participate in our Study Support Programme and Saturday School. These provide the opportunity for extra support from teaching staff.

SCHOOL POLICY ON BULLYING

Bullying is a complex problem which arises in all schools. Bullying behaviour is totally unacceptable. No child deserves to be experience bullying. It is the collective responsibility of all members of staff to ensure that instances of bullying are dealt with effectively and that all issues are resolved.

St. Andrew's school policy is based on the following principles:

1. Most children have either witnessed bullying or have been a target at some time.
2. There are many different types of bullying behaviour from physical assault, exclusion from a group to insidious name calling (Physical, Mental and Emotional).
3. All bullying is serious, especially to the person experiencing bullying, and this school will take appropriate action in all cases.
4. Relationships between the person displaying bullying behaviour and the person experiencing bullying are often complex.
5. Empower pupils to report bullying behaviour.
6. Employ reasoning and reacting and restorative practices where appropriate.

The recording of bullying or alleged bullying incidents are recorded electronically as part of the school's monitoring system.

An adult presence is provided in Social Areas at break times in terms of the Schools (Safety and Supervision of Pupils) (Scotland) Regulations 1990.

St Andrew's High School will respond with strategies which support inform and educate pupils through:

1. The Primary Liaison Programme.
2. Religious Education Curriculum.

3. P.S.H.E Programme throughout school life.
4. Pupil Parliament and Year group Leadership Forum.
5. Supporting those pupils being bullied - communicate and work together with the family to restore the confidence of the person being bullied.
6. Communicate with the family, counsel and advise in order to restore the acceptable conduct of the person bullying.
7. Disciplinary action may be employed in responding to a situation

Avoiding Bullying Incidents

This can only be effective if channels of communication are open and operational. Those who become aware of a problem must pass the information on to the Pupil Support staff or any member of the School's Senior Management Team.

Parents

Parents are encouraged to contact the school if they are aware that their child/young person is experiencing bullying even if they are unable to name those involved.

This issue will be addressed by the Depute Head Teacher in charge of the year group concerned. Parents are encouraged to inform the school if they have noticed a dramatic change in their child/young person's behaviour – unhappiness, unusual reluctance to attend school, unusual behaviour.

Pupils

Pupils should be encouraged to:

1. Inform their Pupil Support teacher if they suspect another pupil is being bullied.
2. Support and nourish a spirit of trust and help between pupils.
3. Persuade the person experiencing bullying that the school will treat seriously any identified bullying behaviour.

Pupils are aware of times when they can contact their Pupil Support Teacher for help and assistance. We have developed a Self-Referral system for pupils, should they require to meet and discuss issues with their Pupil Support Teacher.

Senior pupils are actively encouraged to be watchful of younger members of our community and to foster a sense of a "bully free school."

Class Teachers

Staff are encouraged to be accessible to pupils and identify behaviour changes, unhappiness, isolation etc. A number of staff participate in interval and lunchtime supervision which means that there is an adult presence at all times when children are interacting socially.

Staff provide the facility for a 'safe haven' to diffuse/prevent situations occurring.

Staff are asked to be watchful of indicators of bullying: patterns of illness, truancy, underachievement, emotional upsets, withdrawn or aggressive behaviour.

Staff who suspect bullying or are anxious about the welfare of pupils are actively encouraged to communicate with Pupil Support Staff and/or the Depute Head Teacher in charge of year.

External Provider Staff

School disciplinary policy & procedures should be invoked when there is an incident involving any member of external staff (not employed by NLC) within a NLC establishment.

External staff with allocated classes in schools should be met by a school senior manager before the first lesson to confirm the policy and procedures on how disruptive behaviour will be managed.

Any misconduct should be reported to a member of the school SMT before the close of the business day.

Support Staff

All non-teaching staff are encouraged to report any general talk about bullying to a member of the Senior Management Team, Pupil Support Teacher or to any other staff available. They are also encouraged to report confidences or rumours about bullying.

ADDITIONAL SUPPORT NEEDS

Additional Support Needs (ASN) are any factor which causes a barrier to learning whether related to social, emotional, cognitive, linguistic, disability or family and care circumstances.

St Andrew's High School complies with the Additional support for Learning (Scotland) Act 2004 as amended by the Additional support for Learning (Scotland) Act 2009 and the Additional Support for Learning: Statutory Guidance 2017.

North Lanarkshire Council's policy is contained within "Support for Learning Policy into Practice" copy of which is available in the school. The school has a Support for Learning Policy, available from the school on request which is consistent with North Lanarkshire Council guidelines.

Help and advice on any matters relating to Support for Learning can be obtained from our Principal Teacher of Support for Learning - John McCrossan (PT) and / or Emma Smith our CIIL.

Some ASN will be short term, and some will be long term. Some ASN can be catered for by using school strategies and other needs will require the support of outside agencies. The effect will vary for each child. It is how these factors impact on the individual child's learning that is important and will determine the level of support required. St. Andrew's High School operates a policy of positive discrimination in favour of disadvantaged pupils within a framework providing for the right of all pupils to an appropriate education and social experience. Every child has individual learning needs. This means that every department in St Andrew's High School offers an appropriately differentiated curriculum to take account of these needs. Departments also provide a supportive climate in which the contribution of all children is of equal value.

Our Extended Support for Learning & Teaching Committee provides a co-ordinated approach for developing an effective whole-school policy on learning support.

It is recognised that all pupils, no matter their ability or circumstances require support for their learning. There is a school policy on Support for Learning applicable to all departments and cross-curricular skills.

For Example:

1. Every department operates a process of Target-Setting for each pupil, indicating precisely what each student is expected to achieve in terms of attainment and work rate.
2. All pupils in S1 & S2 are invited to join a structured reading programme where differentiated tasks and appropriate texts challenge pupils at all levels.
3. S4 - 6 students have the opportunity to participate in the Study Support Scheme which operates after the school day.
4. For those pupils experiencing difficulties in reading, a paired reading and paired writing scheme operates in school, supported by senior pupils.
5. Pupils experiencing writing and spelling difficulties are provided with laptop computers and spell-checkers.
6. SQA Special arrangements are requested and employed for all pupils with a recognised additional support need.

Pupils with learning difficulties receive additional help through the coordinated efforts of both the Subject specialist and the Learning Support specialist. This may take the form of cooperative teaching or on rare occasions pupils may be extracted for short term intensive help.

To support those pupils who currently have additional support needs, the school receives additional support from North Lanarkshire Council through the provision of Learning Assistants to our school.

Provision is made available for pupils with English as an additional language.

Care experienced children i.e. children who are cared for directly or whose care is supervised by the local authority, are deemed to have Additional Support Needs unless assessment determines otherwise.

Getting It Right For Me (GIRFMe) Plans

GIRFMe plans enable staff to plan effectively for children and young people when interventions are required to support their learning and improve outcomes. Parents/carers and pupils are an essential part of the assessment; planning and review processes and their views will be actively sought.

Some children and young people may require significant support from education and at least one other agency, such as health, social work and/or voluntary agency to help them meet their learning targets. Where this support requires a high level or co-ordination the opening of a Co-ordinated Support Plan (CSP) may be considered. A CSP may be initiated by the school or another agency.

Parents/carers and young people can, if they wish, request that a CSP be considered and would be involved in the process.

Parents/carers will receive letters from the Education Authority throughout the CSP process.

Parents/carers and young people will be invited to take part in multiagency meetings and their views will be recorded in the plan.

Where more intensive support for a child or young person needs to be planned for, usually when a number of agencies are involved in supporting their wellbeing then a Child's Plan may be developed. The plan will tell you what actions need to be taken and who will help with each action. It will usually be someone called a 'Lead Professional' who will have the job of making sure that the actions outlined in the plan take place and things get better for the child or young person.

DISPUTE RESOLUTION

North Lanarkshire Council is committed to resolving any differences of views through discussion, dialogue and building on common ground.

If the matter cannot be resolved with the Education Authority you have the right to request mediation. An independent mediation service is available to parents/carers and young people through Resolve (see contact details at the back of this handbook). Mediation is free through Resolve and independent of the Education Authority.

In the event that a disagreement cannot be resolved through mediation, then an application for **Independent Adjudication** (see contact details at the back of this handbook) can be made by parents/carers free of charge. The independent Adjudicator will make recommendations to the Education Authority about how the dispute should be resolved.

The **Additional Support Needs Tribunal** has been set up to hear appeals made by parents/carers for young people on the decisions made by the Education Authority relating to Co-ordinated Support Plans, placing requests and post school transition. If you disagree with a decision relating to your child/young person's Co-ordinated Support Plan, either the creation of a CSP, or the content of it, you may be entitled to refer to the Tribunal.

PUPIL CONDUCT

Good discipline is an essential element of an effective and successful learning and teaching environment.

The standard of conduct expected of all pupils is high. A major factor in creating such high standards of conduct is that pupils experience the genuine interest their teachers take in them. Pupils respond well to an ethos where they are made to feel important, where they are praised for their work effort, where staff work hard to establish good relationships, where they experience a sense of fairness and justice and where staff set high standards of expectation.

St Andrew's High School is pro-active in promoting positive behaviour. A good school ethos develops when pupils and staff apply positive attitudes and values which influence behaviour, not only in class, but throughout the school community.

A high standard of self-discipline and behaviour is expected of all pupils, at all times. In St Andrew's High School our expectation of pupils is that they will abide by the Pupil Code of Conduct.

CODE OF CONDUCT

This pupil code of conduct was constructed by and has the full endorsement of St. Andrew's High School Pupil Council.

Pupils are encouraged to take a pride in belonging to the Faith Community of St Andrew's High School. A high standard of personal conduct is expected of all pupils, at all times.

St Andrew's High School Pupil Council's Policy on pupil behaviour is that all pupils should conform to this Pupil Code of Conduct. As a Christian community it is based upon treating others the way you would like to be treated. St Andrew's High School Community expects all pupils to honour the Pupil Code of Conduct:

- **Be proud of your school, and identify with it by wearing the school uniform.**
- **Show good example through your speech, dress and conduct.**
- **Demonstrate responsible attitudes coming to school, while at school, and returning home from school.**
- **Co-operate and respect yourself, other pupils and staff, treating them as you would like to be treated.**
- **Come to school with all necessary equipment, fully prepared to work.**
- **Always work to your highest standard to achieve your full potential.**
- **Be on time for school and your classes.**
- **Treat your property and the property of others with respect.**
- **Treat your school, its resources, property and environment with respect.**
- **Always complete your homework, assignments and projects on time.**
- **Keep your school tidy by using the litter bins.**
- **Look after your bag, books and belongings, do not leave them lying around.**
- **Avoid bringing valuables or large sums of money to school.**
- **Drinking water is permitted in class.**
- **The entire school campus is a No Smoking Zone.**

A fundamental aim of St Andrew's High School is to provide a safe, stimulating, inclusive and supportive environment within which learning and teaching will flourish. There will be occasions when some pupils do not demonstrate reasonable, acceptable conduct. Depending on the nature of the issue, the school may employ strategies and/or sanctions appropriate to the situation. Exclusion from school is considered as a last resort.

St Andrew's High School staff have developed a close working relationship with other agencies such as Psychological Services, Social Work and the Police.

Parental support in the good conduct of their children/young people cannot be overstated. Within St Andrew's High School we are fortunate to have parents who have consistently endorsed our standards of conduct.

ATTENDANCE AT SCHOOL

Section 30 of the *1980 Education Act* places a duty on every parent/carer of a child of 'school age' to ensure that their child attends school regularly. Attendance must be recorded twice a day, morning and afternoon.

Regulation 7 of The Education (School and Placing Information) (Scotland) Amendment, Etc, Regulations 1993 requires each child's absence from school to be recorded in the school register as authorised or unauthorised: As defined by the Scottish Government. At the start of each school session, parents/carers will be asked to provide contact details including at least one emergency contact number. Parents/carers are required to inform the school if these contact details change during the course of the school year.

Parents and carers are asked to inform the school if a pupil is unable to attend from the start of the school day on the first day of absence. Failure to do so will result in school staff accessing all contact numbers provided for the school. In the interests of child safety the police will be contacted if all attempts to locate the child have been exhausted.

Parents/carers should be asked to inform the school by letter or telephone (or Parent Portal) if their child/young person is likely to be absent for some time, and to give the child/young person a note on his or her return to school, confirming the reason for absence.

Family Holidays during term time

Every effort should be made to avoid family holidays during term time as this both disrupts the child's education and reduces learning time. Parents/carers should inform the school by letter of the dates before going on holiday.

Absences will be classified as authorised only in exceptional circumstances but will always be recorded. Such circumstances may include:

- A family holiday judged to be important to the wellbeing and cohesion of the family following serious or terminal illness, bereavement or other traumatic events.

A family holiday classified under the 'authorised absence' category will **not** include such reasons as:

- The availability of cheap holidays.
- The availability of desired accommodation.
- Poor weather experience during school holidays.
- Holidays which overlap the beginning or end of term.
- Parental difficulty obtaining leave (except in cases where evidence is provided by the employer that it cannot accommodate leave during school holidays without serious consequences).

Family holidays with the above similar characteristics will be classified as unauthorised absence. Where the head teacher's prior agreement has not been sought the absence will automatically be classed as unauthorised.

Where most family holidays will be recorded as unauthorised absence extended leave with parental consent will not be considered the same as a family holiday. Leave in such circumstances will be authorised under circumstances such as:

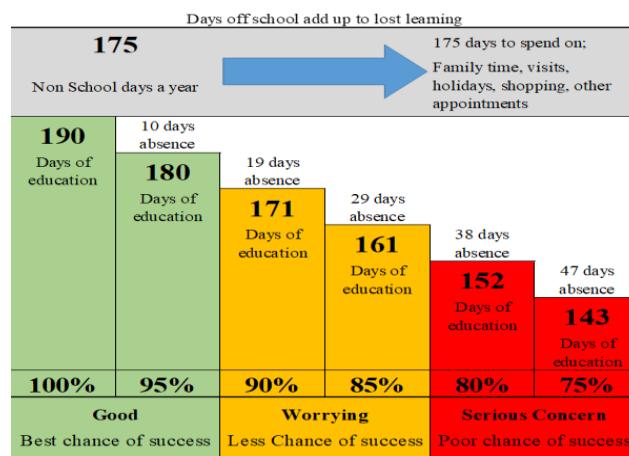

1. Extended overseas educational trips not organised by the school.
2. Short-term parental placement abroad.
3. Family returning to its country of origin (to care for a relative, or for cultural reasons).
4. Leave in relation to the children of travelling families.

Exceptional Domestic Circumstances

Parents/carers may request permission for such leave in writing and the school may authorise such requests under the following circumstances:

1. The period immediately after an accident or illness.
2. A period of serious or critical illness of a close relative.
3. A domestic crisis which causes serious disruption to the family home, causing temporary relocation.

It should be emphasised that the school investigates unexplained absence, and that the authority has the power to write to, interview or prosecute parents/carers, or to refer pupils to the Reporter of the Children's Panel, if necessary.

EDUCATION MAINTENANCE ALLOWANCE

Students who have reached the statutory school leaving age of 16 may be eligible for an Education Maintenance Allowance (EMA) to allow them to remain at school.

Application information, qualifying criteria, payment schedule and guidance notes are available under the Education Maintenance Allowance information page on the Council website. [Education Maintenance Allowance | Northhttps://www.northlanarkshire.gov.uk/schools-and-learning/additional-support-families-and-children/education-maintenance-allowance](https://www.northlanarkshire.gov.uk/schools-and-learning/additional-support-families-and-children/education-maintenance-allowance) Lanarkshire Council

A link to the online application form can also be found here.

Students who are eligible for EMA for the full academic session should apply as early as possible. Students, who are eligible for EMA from January to June, should apply from November.

Any student who is unsure whether they meet the EMA criteria should contact the EMA Section for advice on ef.ema@northlan.gov.uk

A Groupcall message will be sent to all students who are in the eligible age-band to apply for EMA in May each year, providing details of the main eligibility criteria and a link to online application form.

TRANSPORT

The Council has a policy of providing free transport to secondary pupils who live more than three miles from their catchment school by the shortest suitable walking route.

Parents/carers who consider they are eligible should apply online before the end of February for those pupils beginning school in August to enable the appropriate arrangements to be made. Applications may be submitted at any time throughout the year but may be subject to delay whilst arrangements are made.

There is discretion in certain circumstances to grant privilege transport for pupils to travel in transport provided by the authority, where spare places are available and no additional costs are incurred.

Applications can be made online at the Council website [Free school meals and clothing grants | North Lanarkshire Council](#)

Pick Up Points

Where free transport is provided it may be necessary for pupils to walk a certain distance to the vehicle pick-up point.

Walking distance in total, including the distance from home to the pick-up point and from the drop-off point to the school in any one direction, will not exceed the authority's limits (see above paragraph).

It is the parent's/carers responsibility to ensure their child/young person arrives at the pick-up point in time. It is also the parents/carers responsibility to ensure the child/young person behaves in a safe and acceptable manner while boarding, travelling in and alighting from the vehicle. Misbehaviour could result in a loss of the right to free transport.

Placing Requests

The council does not provide transport for those pupils in receipt of a placing request other than in exceptional circumstances.

PLACING REQUESTS

You have the right to make a placing request for your child/young person to be educated in a school other than the local school. In December each year, the authority will advertise its arrangements for placing requests.

There are sound educational reasons for trying to ensure that the transfer or admission of children to a school takes place at the start of a school session. Other than those who are moving home to a new area, parents are advised to time any placing requests so that they take effect from the beginning of the new school session.

Every effort will be made to try to meet the parental wishes, but you should note that it is not always possible to grant every placing request to a particular school

Once a pupil has reached the school leaving age the pupil, not the pupil's parents may choose which school to go to.

Placing requests to Primary School does not necessarily ensure that your child/young person will have a direct entry to the associated secondary. Advice on this must be sought from the Primary School Head Teacher.

Further information on placing requests and procedures is available from the school or the council's website.

Parents/carers and Young People have a right under the Additional Support for Learning Act 2009 to make a placing request for their child or young person to attend a nursery (including partnership nursery), special school or special class managed by the home authority. In the event of a successful placing request the authority are not required to provide transport. The Act also enables parents/Carers and young people to make a placing request to attend a school/establishment belonging to another authority.

TRANSFER / ENROLMENT

P7 / S1 Transition

The school has in place an extensive P7/S1 transition programme in place. Enhanced transition meetings between schools begin in P6 for those pupils who will need extra support as they move into S1. In P7 there are numerous events which are organised to support an effective transition to Secondary, such as our Friday afternoon Sports events and Numeracy & STEM Support visits which culminate in a two-day induction visit normally in May or June towards the end of Primary 7.

INFORMATION IN EMERGENCIES

We make every effort to maintain a full educational service, but on some occasions, circumstances arise which lead to disruption. For example, schools may be affected by severe weather, temporary interruption of transport, power failures or difficulties of fuel supply. In such cases we shall do all we can to let you know about the details of closure or re-opening. We shall keep you informed by using letters, notices in local shops and community centres, announcements in local churches and announcements in the press on local radio, on the NLC website and on X.

GENERAL DATA PROTECTION REGULATIONS (GDPR) STATEMENT FOR EDUCATION

What is this statement?

This statement explains when and why we collect personal information about you, your child or young person and how this information is used, the conditions under which it may be disclosed to others and how it is kept secure.

Who are we?

North Lanarkshire Council is a Local Authority established under the Local Government etc. (Scotland) Act 1994. Education and Families is located in Civic Centre, Motherwell ML1 1AB.

Why do we need your personal information and that of your child or young person?

The council has a legal obligation to deliver an effective education service to all children and young people in North Lanarkshire. In order to do this, we need to collect personal information about children, young people and their families so that we can help them to learn and keep them safe.

Legal basis for using your information

We provide this service a part of our statutory function as your Local Authority. Processing your personal information is necessary for the performance of a task carried out in the public interest by the Council. If the information we have asked for is not provided, then we will not be able to provide this service to your child or young person.

Your personal information

Education uses the national IT system, SEEMIS, to store personal information electronically. We ask parents/carers during registration and enrolment to provide us with their child's name, date of birth, gender, address, family contact details (phone/email). We will also ask you to update this information annually.

We may also ask you for information about medical conditions, additional support needs, religion and ethnicity. We may also record information you might wish to provide about your family circumstances.

We require this information to ensure children and young people are educated appropriately, supported and that we take account of their health and wellbeing.

During a child's journey through education a pupil record is kept, this core record is mainly paper based and is stored securely in the child's or young person's establishment. If the establishment has requested assistance from educational staff out with the nursery or school, key staff from these services may also store information securely about your child or young person.

How will we use this information?

Your personal information will be used:

- to enrol your child or young person in nursery or school
- to provide your child or young person with an appropriate education
- for teaching, assessment and planning purposes and to monitor educational process of children and young people
- to support pupil learning, improve outcomes and identify where additional support is needed to help children and young people
- to provide appropriate pastoral care to support health and wellbeing of children and young people
- to keep children and young people safe
- to maintain records e.g., of attendance, absence, attainment and behaviour of children and young people (including exclusions)
- to support children and young people during transitions when moving on each year from nursery to primary, primary to secondary and when they move or leave school
- to enable schools and establishments to process personal data in support of SQA and Further Education
- to allow us to process Education Maintenance Allowance (EMA) applications
- to monitor and report on pupil attainment and achievement in relation to the national improvement framework issued by the Scottish Government
- to assure the quality of our education services in line with national expectations from Education Scotland
- when we require to contact you by post, email, telephone or text

Who do we share information with?

To support your child or young person's access to appropriate education and meet our legal obligations, personal information may be shared internally between Services of the Council. From time to time, education staff may also need to share information about you, your child

or young person with another person from another agency or service, e.g., Social Work, Health.

We also share information with Scottish Government and bodies such as Education Scotland, Scottish Qualifications Authority, Skills Development Scotland and other organisations that support children and young people's learning.

When a child or young person moves or transfers to another school the Council has an obligation to pass on information concerning pupil records to the new school.

Only identified staff and those who require having the information to enable them to carry out their job, will have access to you, your child or young person's information. We care about the information we hold in respect to the education of children and young people. We will keep this information safe and secure.

How long do we keep your information?

We only keep personal information for the minimum period of time necessary. Sometimes this is set out in law, but in most cases, it is based on what we need to fulfil our function. We maintain a 'records retention and disposal schedule' which sets out how long we hold different types of information for. You can view this on our website:

<http://www.northlanarkshire.gov.uk/index.aspx?articleid=15003>

You can request a copy of this from Education and Families, Civic Centre, Motherwell ML1 1AB.

Your rights under GDPR

You can:

- Request access to your information – you have the right to request a copy of the personal information that we hold about you, your child or young person. You can ask us to confirm what personal information is being used and with whom it has been shared with.
- Request a correction to your information – we want to make sure that all personal information is accurate, complete and up to date. Therefore, you may ask to correct any personal information that you believe does not meet these standards.
- Request the restriction of processing – this enables you to suspend the processing of personal information about you, your child or young person, for example if you want us to establish its accuracy or clarify the reason for processing it.
- Request the transfer – you can request the transfer of your information to another party.
- Deletion of your information – you have the right to ask us to delete personal information about you, your child or young person where:
 - You think that we no longer need to hold the information for the purposes for which it was originally obtained
 - You have a genuine objection to our use of personal information
 - Or, use of personal information is contrary to law or our legal obligations

If you wish to update any personal information, retrieve, or have it removed from records please contact your child or young person's head teacher or head of establishment in the first instance.

Council Data Protection Officer

If you have any questions or are unhappy about the way that we use the personal information of your child, young person or yourself you can contact the Data Protection Officer:

Data Protection Officer (DPO)
Civic Centre, Windmillhill Street, Motherwell ML1 1AB
AITeam@northlan.gov.uk

The Information Commissioner

You also have the right to complain to the Information Commissioner about the way the council has handled your rights, to enquire about any exercise of these rights or to complain about the way the council has dealt with your rights (or any other aspect of data protection law)

Information Commissioner's Office
45 Melville Street, Edinburgh, EH3 7HL

Transferring Educational Data about Pupils

Education authorities and the Scottish Government Education Portfolio (SGEP) exchange data about pupils either on paper or electronically through the ScotXed programme.

The data collected and transferred covers areas such as date of birth, postcode, registration for free school meals, whether a pupil is looked after by his/her local authority, additional support needs including disability, attendance, absence and exclusions from school. Pupil names and addresses are collected by the school and the council but they are not passed to SGEP. The postcode is the only part of the address that is transferred. Data is held securely and no information on individual pupils can be published by SGEP.

Providing national identity and ethnic background data is entirely voluntary. You can choose the 'not disclosed' option if you do not want to provide this data. However, we hope that the explanations contained in this message and on our website will help you understand the importance of providing the data.

Why do we need your data?

In order to make the best decisions about how to improve our education service, SGEP and education authorities need accurate, up to date data about our pupils. We are keen to help all our pupils do well in all aspects of school life and achieve better educational outcomes. Accurate and up to date data allows SGEP, education authorities and schools to:

- Plan and deliver better policies for the benefit of all pupils
- Plan and deliver better policies for the benefit of specific groups of pupils
- Better understand some of the factors that influence pupil attainment and achievement
- Target resources better

YOUR GDPR RIGHTS

The collection, transfer, processing and sharing of ScotXed data is done in accordance with the GDPR. We also comply with the National Statistics Code of Practice requirements and other legislation related to safeguarding the confidentiality of data. GDPR gives you the right to know how we will use your data. This message can give only a brief description of how we use data. Fuller details of the uses of pupil data can be found on the ScotXed website (www.scotxced.net).

SGEP works with a range of partners including Education Scotland and the Scottish Qualifications Authority. On occasion, we will make individual data available to partners and also academic institutions to carry out research and statistical analysis. In addition, we will provide our partners with information they need in order to fulfil their official responsibilities. Any sharing of data will be done under the strict control and prior agreement of the Data Access Panel in SGEP, which will ensure that no subject specific data will be made public as a result of the data sharing and that such data will not be used to take any actions in respect of an individual.

Further details are available on:

<https://www2.gov.scot/Topics/Statistics/ScotXed/Privacyinformation>

<https://www.gov.scot/collections/scottish-exchange-of-data-scotx/>

Concerns

If you have any concerns about the ScotXed data collections, you can email

school.stats@scotland.gsi.gov.uk

or write to:

The ScotXed Support Office,
SGEP, Area 1B,
Victoria Quay, Leith, EH6 6QQ.

Alternative versions of this page are available, on request from the ScotXed Support Office, in other languages, audio tape, braille and large print.

Want more information?

Further details about ScotXed data exchanges are available on the ScotXed website,

<https://www.gov.scot/collections/scottish-exchange-of-data-scotx/>

FREEDOM OF INFORMATION

Freedom of Information (Scotland) Act 2002 came into force in 2005. The Act allows anyone to ask for information held by the Council and imposes a timescale of 20 working days for the Council to respond. To deal with Freedom of Information requests, the Council has appointed a Corporate Freedom of Information Officer with the support of an officer in each Service. The Freedom of Information Coordinator can be contacted at foirequest@northlan.gov.uk

PARENT FORUM

As a parent/carer of a child person at this school you are automatically a member of the Parent Forum. The Parent Forum is composed of all the parents and carers of children at the school.

As a member of the Parent Forum, you can expect to:

1. Receive information about what your child is learning.
2. Receive information about events and activities at the school.
3. Receive advice/help on how you can support your child's learning.
4. Be told about opportunities to be involved in the school.
5. Have a say in selecting a to work on behalf of all parent/carer's at the school.
6. Be invited to identify issues for the Parent as Partners group to work on with the school.

THE PARENT COUNCIL (Parents as Partners)

The Parents as Partners rights and duties include:

- Supporting the work of the school.
- Representing the views of parents/carers.
- Consulting with parents/carers and reporting back to the Parent Forum on matters of interest.
- Promoting contact between the school, parents/carers, pupils, and the wider community.
- Fundraising.
- Taking part in the selection of senior promoted staff.
- Receiving reports from the head teacher and education authority.
- Receiving an annual budget for administration, training and other expenses.
- Improving home school partnership and facilitating parental involvement.

Members of our Parents as Partners Group is on a voluntary basis. May also have an advisory role in decisions on placing requests by parents in respect of those situations where the number of placing requests for a particular school, or for a particular stage in a particular school, exceeds the number of places available.

Parent Council Members (correct as of January 2026)

Chair: Tracey McMullen tracy.mcmullen@ashurst.com

Vice Chair: Michelle Higgins mrs.higgins1972@gmail.com

ATTAINMENT INFORMATION

School: St Andrew's High School

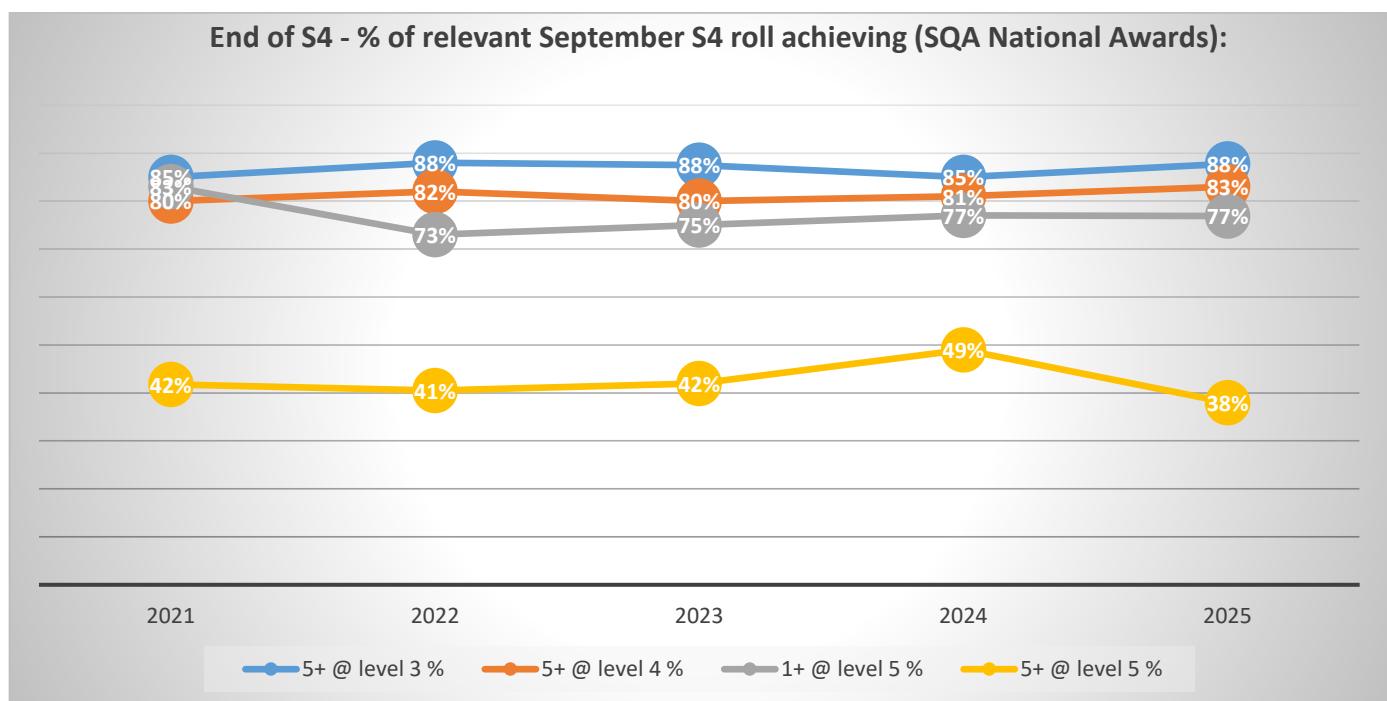

ID No: 320-8500037

The Scottish Government produces statistics relating to schools which can be found here: [School education statistics - gov.scot](https://www.gov.scot/statistics/school-education-statistics/).

Here is the link to the latest report by His Majesty's Inspectors of Education: [St Andrew's High School | Inspection Report | His Majesty's Inspectorate of Education in Scotland](https://www.gov.scot/inspectors-of-education-reports/st-andrews-high-school-inspection-report-his-majestys-inspectorate-of-education-in-scotland)

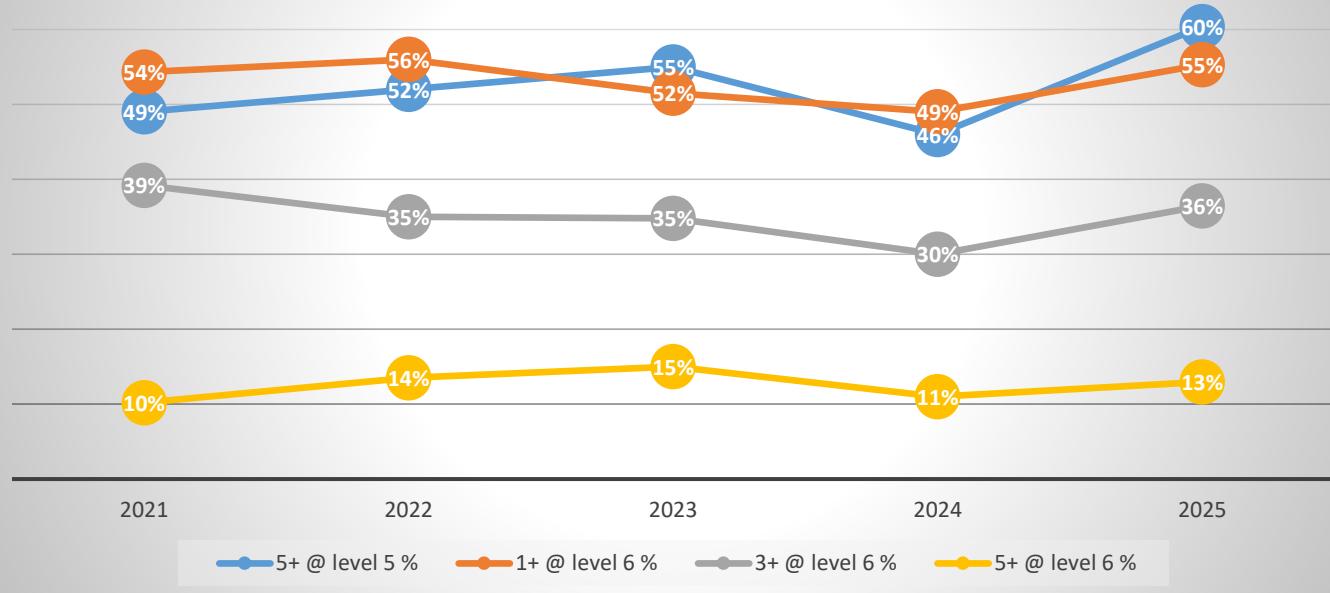

We keep our School Community informed of the attainment and Achievement of our Children and Young People by Parent Updates, our Standards & Quality Reports our GlowBlog, discussion at our Parents as Partners meetings etc. Here is a brief overview of our headline attainment data in some key measures.

Examination Results (within the Scottish Credit and Qualifications Framework - SCQF)

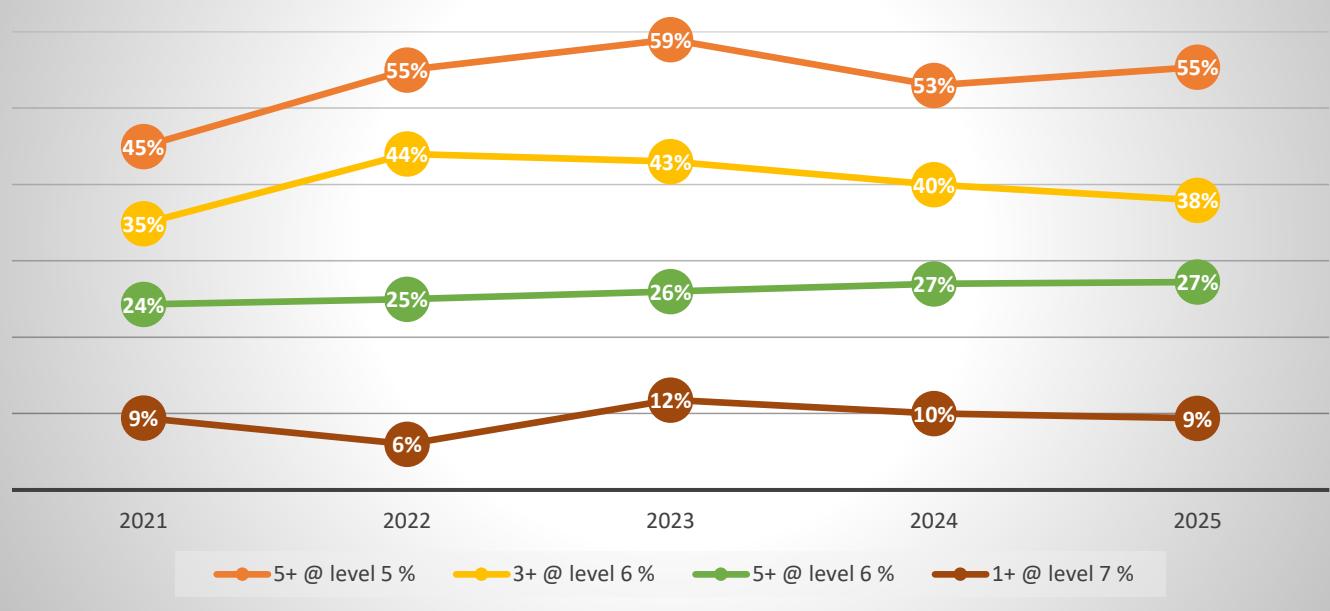

End of S5 - % of relevant September S4 roll achieving(SQA National Awards):

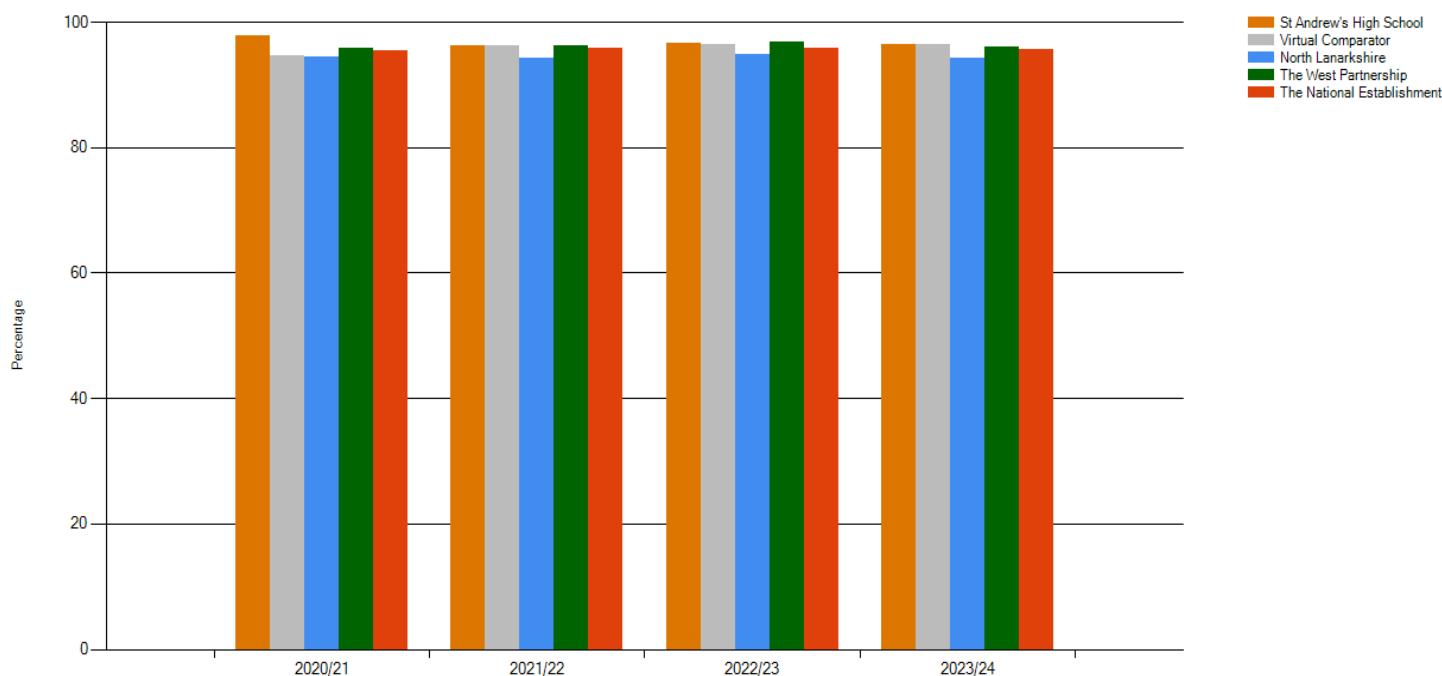

End of S6 - % of relevant September S4 roll achieving (SQA National Awards):

It is also very important to remember that **almost all** of our St Andrew's leavers are successful in moving to a positive destination such as Higher/Further education, training or work as can be seen from the graph below.

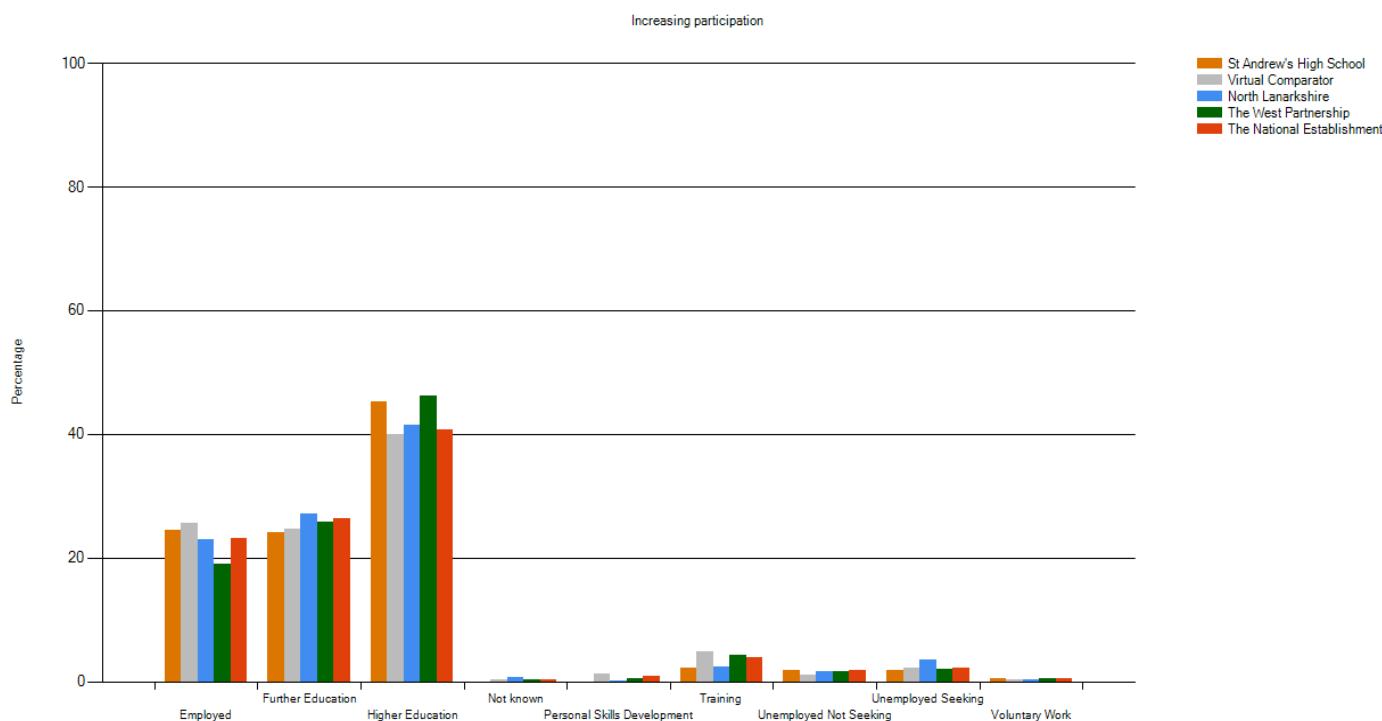

Percentage of School Leavers in a Positive Destination

As is shown below, one quarter of our leavers move into employment, one quarter move into Further Education (College for example) and nearly one half (around 45%) move into Higher Education (University).

The selected year is 2023/24

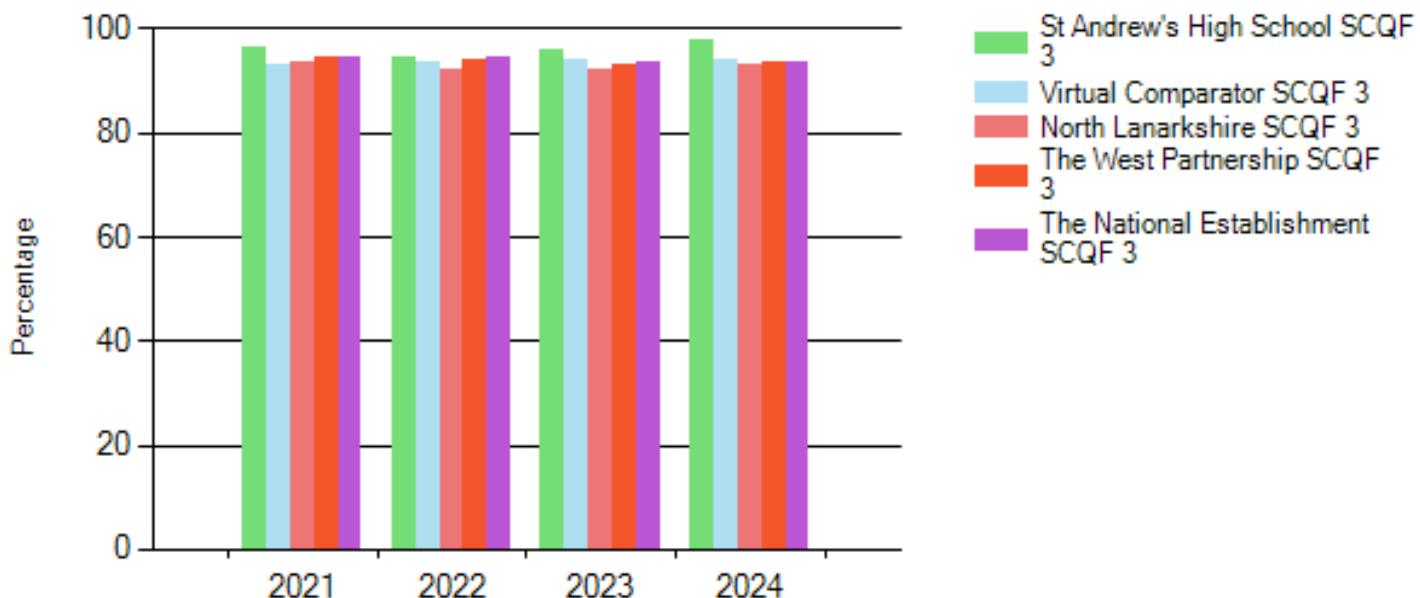

LITERACY AND NUMERACY

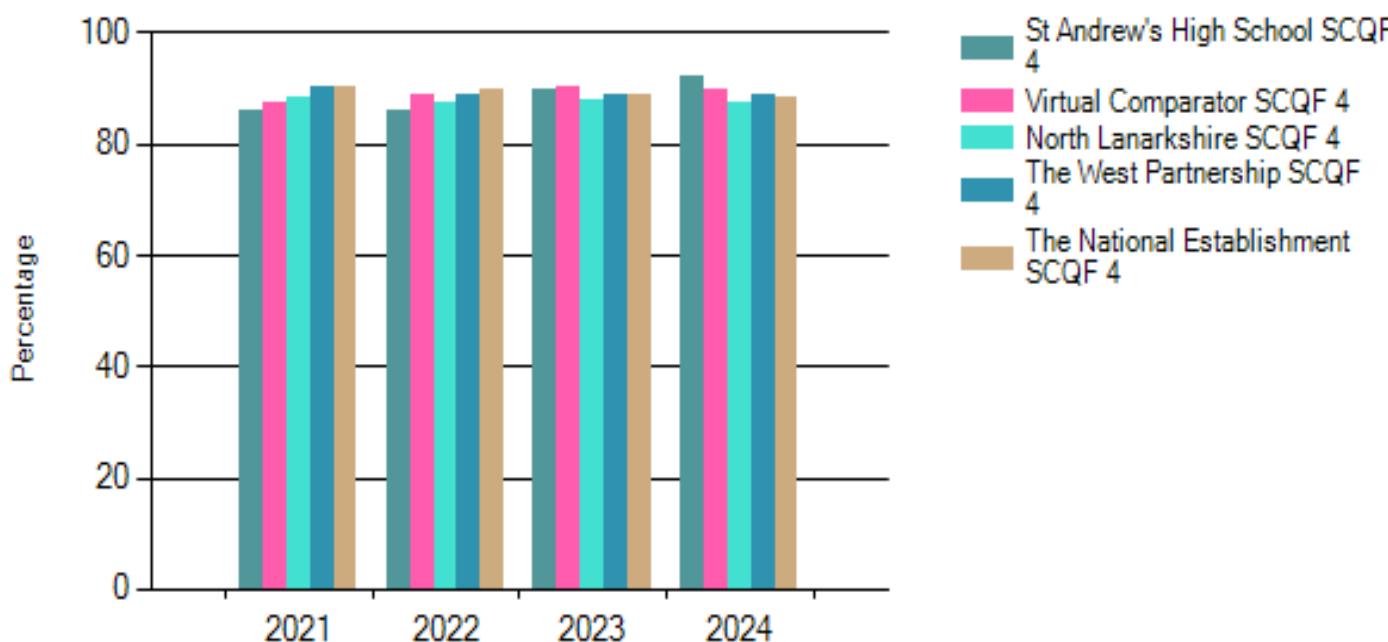

- Almost all our learners, who leave St Andrews, consistently achieve their Level 3 in both Literacy and Numeracy.

Percentage of Leavers Attaining SCQF Level 3 Literacy and Numeracy

- Almost all (92% of our 2024 leavers) achieved both Literacy and Numeracy qualification at level 4 or better.

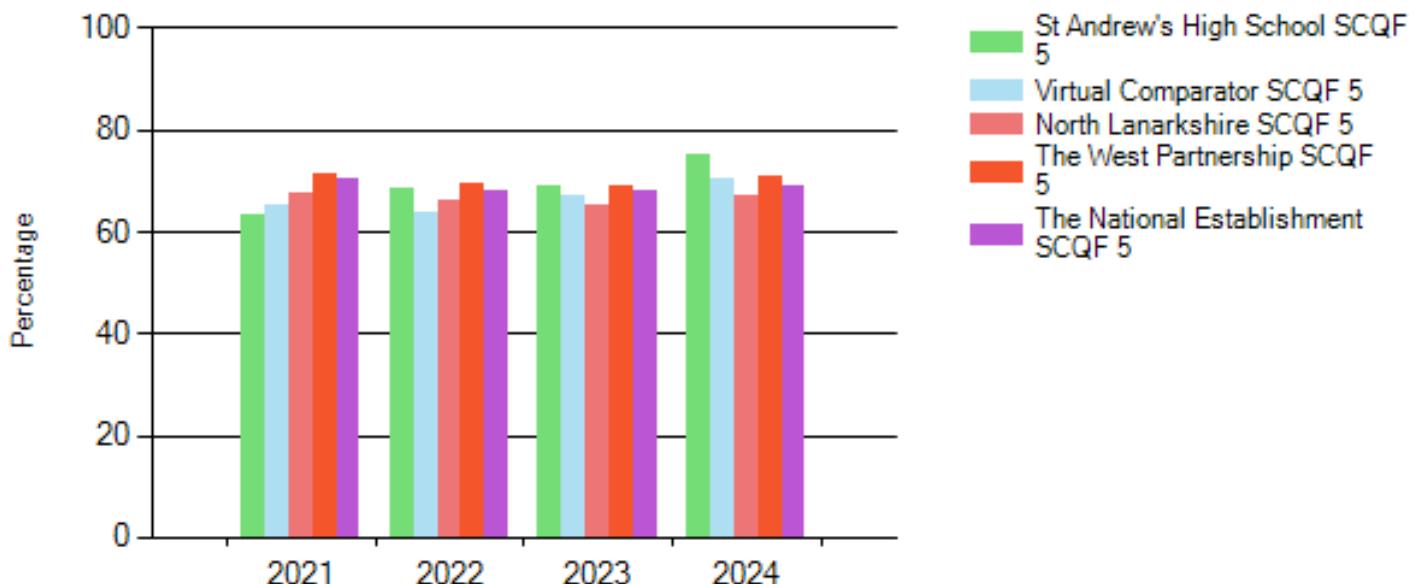

Percentage of Leavers Attaining SCQF Level 4 Literacy and Numeracy

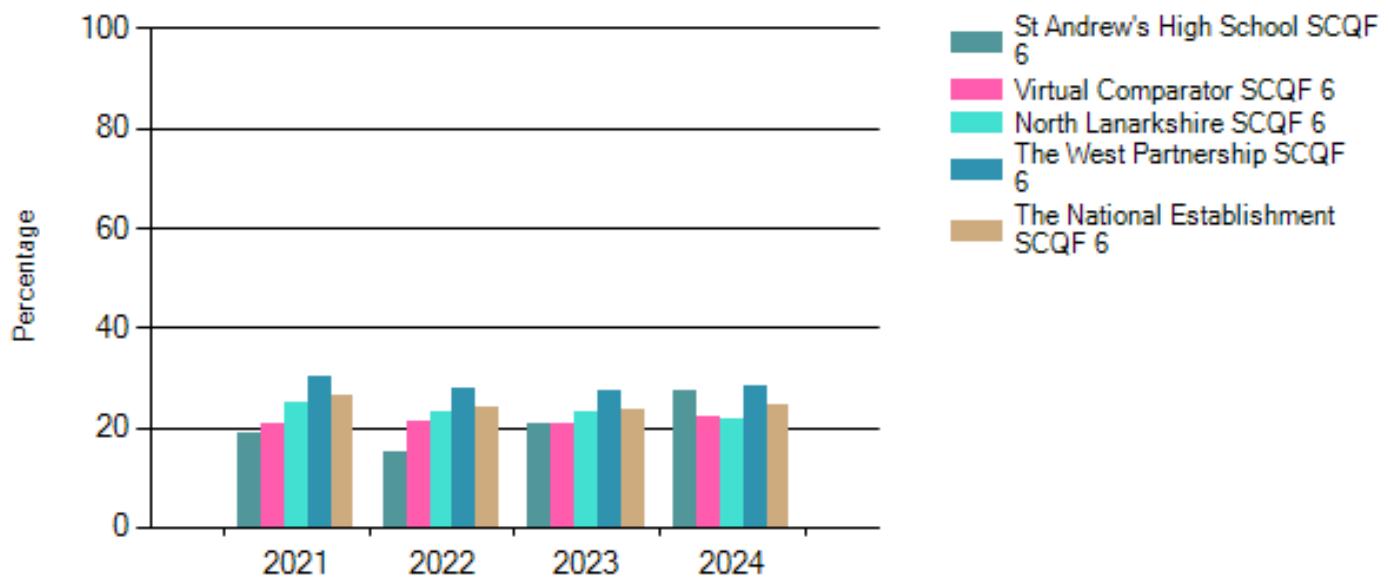

- Most, (77% of our 2024 leavers) achieved both Literacy and Numeracy at level 5 or better.

Percentage of Leavers Attaining SCQF Level 5 Literacy and Numeracy

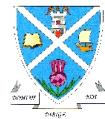

- 27% of our 2024 leavers, have achieved Literacy and Numeracy at level 6 by the time they leave our school.

Percentage of Leavers Attaining SCQF Level 6 Literacy and Numeracy

This is a key measure for our School which we are working hard to improve on over time. It is clear how we compare with our Virtual Comparator School which is encouraging.

MOBILE PHONES

School Policy on the use of Mobile Phone Technology

Mobile phones are however a part of everyday technology: most pupils possess one and, as a result, parents/ carers have a greater sense of their child's safety and security when they are not with them. Parents have a particularly important role to play in supporting our school policy on mobile phones and we greatly appreciate that support.

Here are some simple rules and suggestions for safe, appropriate use of Mobile Phones.

- During teaching and learning time, mobile phones should be out of use and out of sight.
- Learners could be asked to put their phone in a suitable holder during class time and should respect the teacher's instruction as with all matters in school.
- Camera or video functions of a mobile phone should never be used by pupils in school in particularly in toilets and changing rooms for example.
- Phones must never be taken into examinations.
- During off-campus supervised activities (trips, excursions); arrangements will be put in place for communication with supervising staff in case of emergency.
- In an emergency, or where a pupil is unwell or in trouble, contact between the school and home should be via the school phone system: Pupil Support Staff, Head of Year and main school office.
- Under no circumstances should a pupil make arrangements to leave school unless following school procedures involving the appropriate staff.
- Staff are also requested not to use their mobile phones in class.
- Where a learner fails to follow school policy, they then risk further disciplinary action via the referral system etc.
- Our Community Campus Police Officer supports us all in our safe and appropriate use of Phones and issues to do with inappropriate use of social media for example.

COMMUNICATION

Every effort is made to provide strong links between home and school. It is this strong partnership that results in a successful school career for pupils. Presently, for example, the Head Teacher publishes a weekly 'HT Update' in Satchel One for the whole school to see. We issue regular Parents Updates using SWAY and try to keep our school Glow Blog as up to date as possible. Parents/Carers can check Parents portal to view attendance and access reports etc. and use IPAY to pay for meals and trips etc. We also use Groupcall extensively to check attendance anomalies daily and issue important information quickly and efficiently - **It is crucially important to please check we have the correct email details on our system and – please contact our school office if unsure at all.**

Enquiries from parents are responded to by Pupil Support staff who have a particular responsibility for the pastoral care of our pupils. It is essential that appointments are made through the school office as this ensures that the appropriate member of the Pupil Support staff is available for consultation.

School Telephone Number:

(01236) 632163

School Enquiries Email:

enquiries-at-st-andrewshigh@northlan.org.uk

School Complaints:

enquiries-at-st-andrewshigh@northlan.org.uk

Where a pupil's progress or conduct gives cause for concern, Pupil Support staff will contact parents to invite them to visit the school to discuss the particular issue or concern.

ADDITIONAL INFORMATION

NL Digital School

It is recognised that digital technology is already making a significant contribution to learning and teaching practices. When used appropriately and, with all stakeholders being supported it can enrich learning and teaching, help to raise attainment.

North Lanarkshire Council have developed a range of supports to enhance the use of digital learning within our schools. This includes the development of resources and training materials to support school staff, young people and their families with their digital learning and the provision of a universal offer the NL Virtual Classrooms, providing digital learning materials for all curricular areas at every level, up to and including the BGE.

Parents Portal is a digital service to help provide direct communication to parents and carers through a selection of online services. This includes

- Annual data checks
- Online payments
- Permission slips
- Reporting absence
- Viewing timetables (secondary schools)
- Pupil reporting

Information and guidance relating to North Lanarkshire Council Digital offering including how to access [parentsportal.scot](#) can be found on the NL Digital School page available on the Councils website <https://www.northlanarkshire.gov.uk/schools-and-learning/nl-digital-school>

Glow and M365

All pupils and staff in NLC have access to Glow – Scotland's national digital learning platform provided by Scottish Government and managed by Education Scotland. It provides learners and educators across North Lanarkshire with an environment that can support learning across the whole curriculum through. This is primarily achieved in NLC using the services found within Microsoft M365.

Pupils will be given a login to Glow when they start school, and these details will follow the young person throughout their school journey. Glow passwords are issued directly to pupils, and it is Education Scotland policy that these passwords should not be shared with anyone else. Guidance on Glow passwords can be found [here](#). All staff in schools have the ability to reset a pupil's Glow password.

Once logged into Glow, pupils will have the ability to use the full range of apps available via M365. These include MS Teams, OneNote, PowerPoint and MS Word. Users also have the option of downloading O365 to install on up to 5 additional personal devices and this can be accessed from the national section of the Glow Launchpad.

COATBRIDGE COMMUNITY CENTRE AND SPORTS COMPLEX

Coatbridge community centre was opened in 2006 as part of a joint campus with St. Andrew's High School and St. Timothy's Primary School.

The community centre is opened all year round and holds our area office and the Our Zone out of school care service. It is used for a variety of activities including: conferences, meetings, dance and fitness groups, and sports activities. It also has a conditioning gym available for public use during the evenings and at weekends.

It consists of:

- seven multipurpose rooms with capacities ranging from 6 to 70 people
- a computer suite for 14 people
- a health suite holding around 30 people
- a dance studio for around 30 dancers and
- a conditioning gym.

There is also a wide range of sports halls and pitches available in the evening and at weekends. There are two gym halls which are badminton court size and a large games hall which is the size of three badminton courts. Outside we have a third generation football pitch and an Astro turf pitch which can be used as one pitch for a match or split into three 7-a-side pitches for training.

Community Centre: 01236 632810

Qualifying Statements

Although this information is accurate at time of printing, there could be changes affecting any of the matters dealt within the document

- a) before the commencement or during the course of the school year in question.
- b) in relation to subsequent school years.

Education Authorities are required by law to issue a copy of the school handbook to certain parents/carers in December each year.

It details the current policies and practices of both the council and the school.
