Dear Parent/Carers

Coronavirus Information

We are following advice given to the authority by NHS Lanarkshire in encouraging children to wash their hands regularly and use disposable tissues.

To increase the effectiveness of this, we plan to stop activities a little earlier so all classes can visit the bathrooms for hand washing before lunch. We also plan to wash hands after sporting activities and breaks.

If we become aware of families having visited areas listed under category 1 or 2 on NHS guidance notes, we will advise them of the action to take and inform the relevant Education Manager.

We will continue to monitor the advice given from NHS Lanarkshire via their dedicated website, which can be accessed at:
[NHS Lanarkshire Coronavirus Information](https://www.nhs.uk/coronavirus)

Thank you for your support in this matter.

Yours sincerely

Laura Simpson
Head Teacher
