Stane Nursery Class Newsletter

May 2020

Dear Parents/Carers,

We hope you are all well and managing to stay safe during these very uncertain times. We know that this is a very challenging time for everyone and we want you to know that you are all doing a fantastic job supporting and encouraging your child with their learning at home. It's not an easy task and we fully appreciate all your hard work!

We are all very busy working from home and also volunteering at numerous NLC 'Hubs' supporting children of key workers.

The nursery staff are regularly communicating with parents and children via the '**Online Learning Journals**' within the **Wider Achievements** section and the **Messages** section, if you haven't accessed this yet, we'd love to hear from you!

We also post information and free Apps via the school's Twitter page to continue to support your child's learning at home.

A new home learning grid for pre-school children has now been shared via the online learning journals and on the school website.

Take care and stay safe.

Best wishes

Mrs Scott & the Nursery Team

Special Messages from our Nursery Team

Hi everyone! I am missing you all so so much! I hope that you are all keeping busy and active during these uncertain times and have enjoyed spending lots of quality time as a family. I have absolutely loved seeing home learning uploaded to the learning journals and would love to see lots more! I have been keeping busy and doing home learning when I'm not working in the Shotts Family Learning Centre Hub. I have also been loving my daily walk each day to stay active. I hope you are all well and safe. I am always thinking about you all. Please keep in touch and I hope that it will not be too long until we can see each other again. Lots of love and hugs to you all! Miss Brown x

Hello boys and girls,

I hope you and your family are all well and managing to stay safe. It is so strange not getting to see you all in nursery. I hope you are managing to keep yourself active by taking a daily walk. Murray and I love taking Teddy a walk in the afternoon, especially when the sun is shining.

I miss you all very much and can't wait till we are all back together and we can play What's the time Mr. Wolf and hide and seek again.

Stay safe and take care.

Lots of Love

Miss Simpson

Transition to Primary 1

We understand that during these uncertain times, you will have questions and queries in relation to your child starting school in August. We are waiting for guidance and information from the Scottish Government and North Lanarkshire Council. When we have this information we will share it with all of our parents. Each child will receive a 'Starting School Pack' which will be sent through the post at the end of this month. We thank you for your patience and understanding.

Hi children, I'm missing all your smiling faces, funny jokes and playing with you. If you are going to P1, be amazing, be kind and help others. I also want to say thanks to your families for welcoming me at Stane and letting me be part of your wonderful community.
