

# Home Learning

How to access a variety of support material from home.

## Microsoft Teams

Microsoft Teams is a great resource to allow children to make the most out of home learning. It allows children to communicate with their teacher and classmates as well as access various resources and tasks. Use the login details provided; download the app or click on the link below to access the resource!

(<https://sts.platform.rmunify.com/account/signin/glow>)

## IDL Numeracy

IDL Numeracy is a maths software resource that helps to improve ability in mathematics. Stane P.S has paid a subscription to provide access in school and at home. Each child has their own login details and can work through the various online lessons at their own pace.

IDL can be accessed: <https://appuk.idlsgroup.com/#/login>

## Stane Primary School Website

Stane Primary School website provides Maths various activities, worksheets and links to online games to support home learning. Under the Home Learning tab, select the appropriate class and click on the link to access the online material. You can visit our website by using the following address:

[https://blogs.glowscotland.org.uk/nl/staneprimary/?page\\_id=6567](https://blogs.glowscotland.org.uk/nl/staneprimary/?page_id=6567)

## Sumdog

Sumdog is a great way for to practice maths, spelling and grammar. Children learn while playing fun, interactive games. Children can practise individually or play against friends, classmates, or students from around the world. Games are individualised for each child's ability level, so users can play against opponents who have the same skills.

## Oxford Owl

Oxford Owl has an extensive range of tools and resources, including book recommendations, storytelling videos, activity sheets and teaching notes which supports children's learning within Literacy. The children can login in using their personalised login details by visiting: <https://www.oxfordowl.co.uk/> and for more information visit Stane Primary School Website. Use the drop down menu for Parents Area and click Digital Learning.

## Home Learning Resources
