

# Stane Primary School Improvement Priorities 2022/23

Also on the Agenda:

Aims:

## Priority 1: Increase attainment in reading, writing and numeracy.

- Increase attainment across all levels focusing on writing, reading and numeracy.
- Additional teaching staff to support classroom work and interventions.
- Exploring outdoor opportunities to enhance learning.

## Priority 2: Improvement in employability skills.

- All staff will receive further training on developing the young workforce.
- All areas of the curriculum will be linked to the World of Work.
- Primary 5 will pilot STEM young leaders.
- Continue to work in partnership with the Digital Xtra Fund.

## Nursery Priority: Develop and embed outdoor learning.

- Staff training in play-based learning.
- Froebel champion identified and trained.
- Forest Kindergarten sessions will continue with a new partnership with P1 class/teacher.
- Outdoor learning will be embedded across the curriculum.
