

St Bartholomew' Primary School

September update 2025

Headteacher's message

Can we ask that parents check that all of your child's belongings have been **labelled**, to include shoes. We have so many children in each class and want each child to learn to look after their belongings and keep them safe. It is so much easier to give the items to the correct child if they are labelled.

I wish all our families a lovely wee rest over this September weekend break.
