

Wednesday 6th May

LITERACY

1. **Spelling (All)** - find your words for today and write them out in alphabetical order. Underline the ones you found tricky and practise them again.

2. **Handwriting** - Open the Handwriting 06.05.20 file in the Literacy section of Glow. This is a poem called the Crocodile. Try re-writing this poem using your neatest joins!

3. **Newsround (All)** - Click this link and read about what is planned in the next 50 years of Space exploration:

<https://www.bbc.co.uk/newsround/49046002>

Write down 5 facts that you have learned. You can choose one each from the 5 plans or you can choose different facts from the same one. Let me know which ones you find most interesting!

NUMERACY

4. **Mental Maths** - Open the folder called 'Mental Maths' within the Numeracy section of our Glow page. Complete 'Wednesday' of Mental Maths 04.05.20 Page 2.

5. **Group 1** - We are continuing with percentages today. Open 'Percentages task 06.05.20'. You are being asked to write the fraction or decimal as a percentage. The first thing you will need to do is multiply the numerator and denominator so that the denominator is 100 (REMEMBER multiply the top and bottom by the same number). Once the bottom line is 100, you can write the top line as the percentage. Message me if you need any help!

Group 2 - More practise with division today. Open 'Division facts 06.05.20' in Group 2's folder. These sums you might know from your times tables knowledge. Try to answer these and if you need to do bus stop method you can do that too! Let me know how you get on.

P.E.

6. **Go Noodle** - Try this exercise for P.E. <https://family.gonoodle.com/activities/high-velocity> Let me know if you enjoy it!
