

Thursday 7<sup>th</sup> May

## LITERACY

1. **Up- levelling sentences** - Find the file for today and make the sentences more interesting.

2. **Solar System Fact Hunt (all)** - There is a folder in the Literacy section called Solar System Fact Hunt. There are fact cards and a worksheet which asks questions. Read the fact cards and then answer the questions on the worksheet. You might need to do further research on the internet to find the answers. Let me know how many answers you get! Good luck!

## NUMERACY

3. **Mental Maths** - Open the folder called 'Mental Maths' within the Numeracy section of our Glow page. Complete 'Thursday' of Mental Maths 04.05.20 Page 2.

4. **Group 1** - We are going to try converting fractions, decimals and percentages. Remember  $83/100 = 83\% = 0.83$ . Try the first page of 'Converting fractions, decimals and percentages 07.05.20'. Let me know how you get on.

**Group 2** - Yesterday, we did a division task where you used your tables knowledge. Today's task is a mix of multiplication and division facts. Try 'Multiplication and division facts 07.05.20'. Let me know if you need help.

## R.E.

5. Click this link and listen to Mrs O'Neill talking about last week's Sunday Gospel. Make sure you listen to the whole video as you will also hear from our very own Connor MacFarlane reading a prayer of intercession. I was so excited to see this and know you will be too 😊 Think about how you place your trust in God and how you treat people who place their trust in you.

<https://youtu.be/Pgxf1lOJLkw>

There is a craft activity at the end to create a house, representing the rooms God has in his house for us. Try this out and please send them to me, I will put them on Glow and the Blog for everyone to see!
