

Wednesday 13th May

LITERACY

1. Spelling - Group 1 - Find your words for today and write them out in alphabetical order.

Group 2 - Find today's words on your grid. Write them using pyramid spelling.

2. Reading - Open the Jazz Harper Space Explorer File. This is a reading comprehension activity and I will tell each group which page to go to for their task.

Diamonds and Emeralds - Go to page 9. Read the extract from the story. Your questions come next, try questions 1-5. Answer them in full answers. We will do the others tomorrow.

Rubies - Go to page 5. Read the extract from the story. Your questions come next, try questions 1-4. Answer them in full answers. We will do the others tomorrow.

Sapphires - Yours starts on page 1. Try questions 1-4. We will do the rest tomorrow.

MATHS

3. Group 1 - Remember we learned about doubles and near doubles? Where you look at the sum, decide what it is closest to, double it, then add or subtract? Try 'Near Doubles 13.05.20'. Let me know if you remember how to do it!

Group 2 - We have been looking at adding numbers within 1000. Try these ones mentally - 'Making 1000 13.05.20'. Let me know how you get on.

4. Tables Practise - Visit this link and practise your times tables.

SUMDOG

5. Play Sumdog - I have set a challenge today. Send me a message and let me know what the questions were about today! 😊
