

Thursday 21st May

LITERACY

1. **Punctuation Focus** - Find the file for today in *Glow* and re-write, adding in the punctuation.

2. **Reading** - Visit www.oxfordowl.co.uk

Log in with the username and password you usually use, click *My Bookshelf* and search for the books you have been reading this week.

Diamonds and Emeralds - search for 'Double Exposure'. Think of your favourite part of the story so far. You are going to create a comic strip. Split your page into 6 and remember to add in speech bubbles. Draw another line across so that you can write a sentence underneath each picture to say what is happening. Here is an example -

Rubies - You are going to do the same task as above but for your book, *Space Hunt*. Try to keep your comic strip nice and neat.

Sapphires - search for 'Space Hunt'. You are going to create a 'Beginning, Middle and End' story for your book. There is an example on *Glow*. Write a couple of sentences about what happens at the beginning and draw a picture, repeat this for the middle and the end.

NUMERACY

3. **Mental Maths** - Open *Mental Maths 18.05.20 Page 2*. Complete Thursday's questions. I will post the answers later 😊

4. **Play Sumdog** - Remember the competition is running. We need at least 10 members of our class to play for the score to count! Try to play for at least 20 minutes.

P.E.

5. Do some P.E. with Joe today -
